VOLUME XIX, no. 3

ROCHESTER, NEW YORK

FEBRUARY, 1981

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

## Editor's Note:

The wonderful world of square dancing spans the globe--same language (yes, even in Japan with dancers who don't understand a word of English it's "heads, sides, left allemande, ladies chain. . ."), same moves, same warm welcome, same great fun. In this issue we offer an opportunity to introduce your class members to this wider world. The PROMENADER is the voice of square dancing in the Rochester area. Our pages contain much of interest to new dancers, such as Beginners' Balls, Dance-O-Rama, new calls, and club news.

Show them this issue of the PROMENADER. Give them an opportunity to subscribe to the next 6 issues for \$3.00. Details are on page 19.

A warm welcome to our new Club Presidents! Good luck in your leadership role through 1981. You will find, as we did, that the task is eased immeasurably by the willing cooperation of the dancers in your club as they greet visitors, arrange refreshments, sell tickets, and do the many things needed to make a club tick.

PROMENADER also greets our new Club Reporters. There are helpful hints available for you on how much to write, when, and how often. We have tried to get this information to each of you but if we have missed, give us a call. Many thanks to last year's reporting staff for your cooperation and hard work. Getting material in on time really smooths out the editor's job.

## FEDERATION

NOTES from the Jan. 14 meeting

Treasurer Jean Macpherson reported that the Rochester Federation now consists of 36 clubs, including one contra dance group. The Hilton Hillbillies, a teen group, joined at the January 14 Federation meeting. WELCOME! Teens pay dues at one-half the regular rate after a recent change to the Bylaws.

Ruth Harris, DOR chairman, announced that clubs are needed to volunteer for many tasks, particularly set-up and clean-up. Frank VanDeusen, ticket chairman, will have DANCE O RAMA tickets available at the next Federation meeting.

The editors reported that almost 800 PROMENADERS are mailed each month. A subscription drive aimed at present class members will be conducted in February.

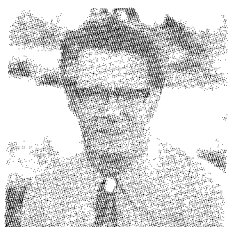

Maryln Dailey was allocated up to \$400 to print 10,000 flyers promoting square dancing in the Rochester area. They are intended for local clubs to pass out at the fair, demonstrations, one-nighters, and general promotion.

## HOW TO FIRE YOUR CALLER

by Jerry Carmen

The title may seem a little drastic, but, like it or not, clubs do change callers and all too many times this results in broken friendships, dissention and hurt feelings. I hope this article will assist in reducing all this by presenting a reasonable approach that regards the caller as a human being with feelings who deserves common courtesy.

Callers, to begin with, should be professional enough to realize that they can be replaced for no other reason than the club wants to. The club, specifically the Board of directors, has an obligation to be forthright, honest and timely in their dealings with the caller. It is an unpleasant task to tell someone he is no longer wanted. All too many times I have heard of another caller hired with not even a hint to the current caller or club membership. Perhaps at the last minute a letter is sent terminating him. What little wonder there is bitterness, resentment and hard feelings! What damage has been done to the club and the square dance activity just for failure to act in a gentlemanly fashion!

For future reference to any who may be concerned, I would like to recommend the following steps be taken:

1. If there is a problem, discuss it with him. Callers are very rarely replaced as a whim and there is generally a problem, real or imagined, that is at the root. Invite him to a board meeting and be open. Many times the caller can correct a problem he is unaware of or point to a solution and things need go no further.

2. Broach the question of replacement with the club membership. The membership should be made aware of an impending change and their approval be sought. I do not believe your fellow dancers are sheep and must be led. The board is there to serve the membership and to run the club smoothly. Such a move requires their approval or you may find your club split in two. Our activity should be open and fair, and to make such important decisions secretly is wrong.

3. Be direct and timely when notifying a caller. In the event that differences cannot be ironed out, a caller should never be notified prior to or during a dance, and never by mail. It should be done face-to-face by a selected board member in such a situation where the decision can be discussed if desired. It is unfair to wait until the end of the season because this often ruins the caller's opportunity for an alternate position on that night. Clubs generally hire guest callers, etc. from September to April for the following season. I know a caller who turned down at least two opportunities to call regularly on a certain night. The club didn't notify him he was terminated until June, and by that time the positions were filled by other callers.

The goal of this article is to encourage fairness and courtesy when dealing with callers. I'm sure this approach can be applied to other areas as well.

A SQUARE

A ROUND

TOWN

Well, what's new around town? One thing I noticed, there is a lot of absenteeism. At first I thought there was a boy-cott against the fifty cents I charge for staying out of sets. Noooo it wasn't that. I found out, it was going around. It is the Flu, but which one?

We had the Hong Kong Flu, then there was the Swine Flu, about a year ago it was the Russian and the Texas Flu. Sooo now we have another. The Bang-kok just flu in! We've had them all except the Chimney Flu and I bet that will come smoking in next year.

Which one did you have? In order to tell you should know the symptoms. Soooooo.....

Russian Flu: You have a fishy taste, like you had been eating Caviar.

Swine Flu: Your nose gets larger, you feel like eating garbage and making love in the mud.

Texas Flu: You feel as lousy as J.R. and you want to go potty in the field. Don't laugh, I wouldn't steer you wrong.

Bang-kok Flu: It's a pain in the upper Thais.

Myself, I got the Hong Kong Flu. How did I know? I recognized the first symptoms. My eyes began to slant, my mouth tasted like stale rice and I felt like taking in laundry. Next, I started to cough on one end and ah, something happened to the other end. One treatment I use for the other end is Blackberry brandy.

For my cough, I remembered a story my Grandfather told me. After school he got a job helping in a Drug store. A man came in and wanted something to stop his coughing. Granpa gave the man a two ounce glass of Castor oil, man drank it and left. The manager came over and asked, "What did you give him for his cough?" Granpa told him. "Castor oil," cried the manager, "that won't stop his cough!" "The heck it won't," said Granpa, "look out there he's hanging on to that lamp post, he's afraid to cough."

Well, I don't like Castor oil sooooo I tried Nite-Quil, it put me to sleep alright but I dreamt I had a cough. So much for Nite-Quil.

Here are some other remedies I have tried and maybe you can use.

Goose Grease....Rub it on your chest, don't rub it all over like I did. I kept slipping out of bed.

Garlic.....Tie a piece of Garlic on a string and hang it around your neck. No legitimate germ will go near you and probably nobody else will either, especially husbands and vampires.

Honey 'n whiskey... Drink about a pint, it really won't cure you, but you won't care either.

Camphorated oil.... Rub on your neck and under your nose. Guaranteed to clear your sinuses and may even melt the wax in your ears.

Preventives.....Stay away from Chinese laundries and fortune cookies.

Hold everything! The Blackberry brandy isn't working, gotta goooooooooooooooooooooo.

Thanks anyway  
Hal Abberger

### LEUKEMIA DANCE NEWSLETTER

Once again plans are under way for Leukemia Dance 1981. This year's dance will be held at Sperry Senior High School, Henrietta, New York. Come, join us on Friday, April 3, from 7:00--11:00 P.M. and have a fun filled evening dancing to our own great callers and cuers.

Work is progressing nicely on a beautiful hand made quilt, made of caribbean blue and white, which will be given away on the night of the dance. Tickets for both quilt and dance should be available through your club this month. Again this year special prizes will be awarded to the clubs selling the most pre-dance tickets.

This year's theme will be "FLOWERS OF TOMORROW." Please remember the children with Leukemia Cancer are like seeds of a flower..they are fragile seeds today, but need our love and care to become the strong beautiful flowers of tomorrow. We as square dancers have an opportunity to help these kids, just by coming to the dance..and at the same time we'll be having a great time.

Look in next month's PROMENADER for more information.

Helpful hint when making a gathered three-tier skirt: DON'T use pattern pieces, it's a waste of fabric. Measure your skirt length and figure the width of the three tiers, graduating each and allowing for hem and seams. Example: finished skirt is 22"

top tier is 6" wide  
middle tier 8"  
bottom tier 14"

Cut the tiers across the width of the fabric.  
1 1/2 widths for the top tier  
3 widths for the middle tier  
5 or 6 widths for the bottom tier.

Four yards of 44" material will be enough to allow for extra length or error. Happy sewing and dancing. If you have any questions, or for more help, call me at the Shoppe.

### LEGACY QUESTIONNAIRE RESULTS ANNOUNCED

As part of LEGACY's long-standing commitment to function as a listening post for the activity, it distributed questionnaires in 36 states last summer. The basic purpose was to determine dancer attitudes on certain things. Additionally, LEGACY was looking for some useful information about how people get started in square dancing.

Oddly, the most important thing learned as a result of mailing out the questionnaires did not come from the questionnaires themselves. It came from the way they were filled out and returned. About 4,000 questionnaires were sent to LEGACY members for distribution to clubs in their area. An amazing 2,077 were returned! That total includes some reproduced locally when there was more demand for questionnaires than were mailed. The surprising return rate of more than 50% said one thing very succinctly: the dancers want a voice in their activity. Another fact that substantiated that conclusion was the 50,000-plus words written on the back of the questionnaires by the dancers, elaborating on their attitudes and desires for the activity.

The informational part of the questionnaire concerned what attracted each dancer to square dance lessons. The national average came out as follows (percentage figures add up to more than 100% because some checked more than one category):

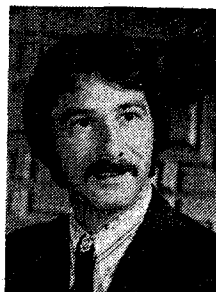

* took square dance lessons in school	6.11%
* saw it on TV	2.26%
* recommendation of friend or family	66.2%
* tried square dancing at a party	12.3%
* saw people square dancing	20.6%
* saw an ad or flyer	12.5%

The need for a nationwide means of determining dancers' attitudes and desires was defined at a LEGACY meeting. The questionnaire was the action and the results will help many of the callers and club leaders to be more responsive to the dancers' goals. Arrangements are underway to continue the survey so that attitude changes can be measured. Also LEGACY is working to expand future questionnaire distribution to develop a broader information base and provide statistically valid data for every state. Through the expanded questionnaire program, dancers will have the opportunity to express their needs directly and without cumbersome and expensive governmental-type organizations.

## Boots n' Slippers

Ed Foote called a terrific dance on Dec. 12th for our club. We had many guests but Web-Spinners outnumbered them all. Nearly their whole club came out for this dance. A good time was had by all, many thanks, and come again.

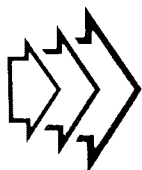

New Years eve was a real bash with Mike's excellent calling, a scrumptious buffet supper at midnight, also much munching in between, and seven guest couples attending. By the time you read this, our Blizzard Ball will be over. We are anticipating a great success. Our thanks to Dale and Judy Nesbitt and Floyd and Barbara Bockus for being chairmen of this affair, and all the others who helped in so many ways.

Our new slate of officers for the coming year are:

President	Jim & Shirley Hushard
Vice President	George & Florence Germeroth

## Callers' Co-op

I hope everyone is looking forward to the History Dance with caller Art Harris, Sunday, March 1st--Green Lantern Inn. All dancers welcome--7-9:30 PM. \$4.00 per couple.

Those who braved the weather for the January 4th meeting found a wealth of information from tax consultant L. H. Richards.

At the February 1st meeting Orlo Hoadley and Mike Harris are chairing a program for new callers.

We would like to welcome two new members into the Callers Co-Op: Ted Whitacre and Mike Herne. Nice to have you both with us.

## Cloverleaf Squares

As closing reporter for the Cloverleaf Squares of 1980, I'd like to say Happy New Year, and may joy and peace be with you throughout the New Year.

We had elections for new officers in December. They are: President: Lash LaRue; Vice President: Marty Allen; Secretary: Joe Sweeney; Treasurer: Bob Karam; and Hospitality: Laurie Gavigan and Shirley Mullan.

In January we had our Moonlight Bowling Party at the Moose Club. In March we have our winter weekend at Camp Oswegatchie. This promises to be a fun-filled weekend. In spite of the weather we seem to have a good turn out at our dances on Sunday night. Please come out and dance with us.

## Copy Cats

Nineteen eighty-one is off to a good start with the Copy Cats. Our thanks to all our Copy Cat friends who have been joining us at our dances. Also, welcome back to all our holiday travelers.

Our schedule for February starts off with our Valentine Dance on Saturday, February 14. In addition to Mike Callahan calling, we will have Linda and Mike Liberti cueing round dances. The round dances will start at 7:30 PM and square dancing at 8:00 PM. Everyone is welcome to join us at 7:30 and learn some round dance steps. Round dancing will be cued between square dances throughout the evening.

Our next dance will be held on Saturday, Feb. 28. Again we will have round dancing at 7:30 PM followed by square dancing at 8:00. All dances will be held at Rochester Christian School on Embury Road at Creek Street.

On March 14th, we will be having our mystery ride dance so we will not have our regular scheduled dance at the Rochester Christian School. Club members watch for more details for our mystery ride dance.

Our best wishes for a speedy recovery to President Joan Beaudin who has been suffering with a bone fracture in her leg, and to Dave Wind who is recuperating from a heart attack. We hope to see you both up and around soon.

Bands for February include: 5th--Mitzi Collins Dance Band; 12th--Blackthorn Ceilidh; 19th--Genesee String Band; and 26th--Overacker Corners. Remember--you don't have to be a square dancer to come and enjoy our dances. Club and class members are always welcomed--but you can also bring your non-dancing friends. Lately we have been in need of extra girls--so singles? come try us out.

Clubs will soon be thinking of Dance-O-Rama, and Country Dancers has lined up Ted Sannella as the contra caller. We hope to be in the campus school again, and we hope to have live music most of the time. There has been some thinking about sharing our band with the square dancers for a couple of hours. If that comes about we will probably have some workshop time to teach some of the delightful round dances that Pappy Shaw used back in the 40's, as well as some of the standard folk dances that have become basics.

Our New Years Eve dance was a grand success. The folk dancers filled their hall and we filled ours. Most of the people that attended flipped back and forth between the two halls and most agreed that we would do it again next year.

**Glass Slippers**

This season has provided us with much good cheer and enjoyment for all. On December 17th, we had our Christmas dance which was a great success, with all the good food and fun. Ron and Betty had their annual New Year's Eve party the following week at the Bergen Community Center. Several clubs were represented, and a good time was had by all.

In January we had our South of the Border dance and the spirit was quite festive indeed. On the 21st of January was our installation of officers. We will be seeking new people leading our club for the new year that has just begun.

Up and coming is our St. Valentine's Party on the 11th of February which is always a sweetheart of a dance. The following week, on the 18th, is our Wine and Cheese party at the Campus school, which everyone enjoys. Keep track of these special events and we hope to see you there.

1981 certainly arrived with some frightfully cold weather. However, the attendance at our dances has been excellent in spite of the weather. It doesn't take too long to warm up once we start dancing.

Plans for the first special dance of the year are in progress. The date for the Club's Valentine's dance is February 11th. Get out the red outfits, put on your dancing shoes, and bring your favorite valentine for an evening of dancing and good fellowship.

Bob and Nancy Ellis, along with their sidekicks, Milt and Caroline Neeb, leave for a vacation in Florida right after our Valentine Dance. We wish them a safe trip, with warm weather and plenty of sunshine.

So, on February 18, Mike Callahan will be the Caller for the evening. We look forward to having you as our guest caller, Mike.

**Please Note:** There will be no dance on Wed., Feb. 25.

The only Saturday Night Special in February is on the 7th. Bob Ellis will be calling and Dottie Reed will be cueing the rounds. Dancing starts at 8:30 pm.

**Club News:** We extend Get Well wishes to (1) Lenore Widener, who is recovering at home from heart surgery; (2) Hall and Ruth Downey, who are recuperating from injuries suffered in an automobile accident just before the holidays; and (3) to Marge Nasella, who was scheduled for heart surgery in mid-January.

We extend sympathy to Edie Clark and to Sherl O'Dell on the recent deaths of their mothers.

It is really great to see the Alyings back on the dance floor after months of absence due to Lorraine's back injury.

## Genesee Dancers

A word of thank you and well done to outgoing Genesee Dancers officers and a hearty congratulations to the new and competent officers taking the helm. They include: President, Dick & Naomi Kingsley; V. Pres., Clarence & Isabelle Freeland; Sec., Graham and Lorraine Chamberlain; Treas., Ed & Janet Leurgans.

Sure, Christmas and New Years was just great but Genesee Dancers suffered from withdrawal symptoms with those two Thursdays preempted by holiday celebration. Don't worry, we're making up fast in the new year under the guidance of fun-makers Mike Callahan and Bob Slomcenski.

Romantic February won't disappoint you. Get set for that traditional home-cooked, do-it-yourself supper at the Valentines Day dance Feb. 12. Green Lantern will be festive, company convivial and your dancing partner beautiful. Mood enhancement begins at 6 PM, supper at 7:00 and dancing at 8:00.

We have good news from the sick call department. Although Hall and Ruth Downey were broken-boned in a severe auto accident, mending is fast and they will be back with us soon. Marion Cartwright is post-surgically repairing well and complaining that she wants to get back to dancing--a good sign.

Orlo & Rita Hoadley finally found an activity more strenuous than square dancing. Just ask them about baby sitting with grandchildren. It's tough.

Do you like Art & Pauline Bennett's bronzed look? They got it cruising around the Caribbean. Sure is nice. Information Reporters, 586-6496 Fred & Woodie Halik

## EKC-O Squares

Hail to the Chiefs! Ladies and gentlemen, the presidents of EKC-O Squares! Bud and Joann Englebrecht! Members of the Cabinet: Vice Presidents--Bruce and Helen Rohr! Secretary of State (and Treasurer)--Harry and Agnes Bailey! Members of Congress (and Board Members) Don and Ruth Haelele, and Doug and Audrey Pfund! We wish them all a very successful year and pledge our whole-hearted cooperation! Orchids to our retiring (and tired) officers for a terrific year of accomplishment.

Christmas has receded into history (for this year) but Santa's sleigh for our Xmas party made history! Real chocolate! made by our President's Lady, Joann, and filled with candy of the same chocolate! We practically needed a Brink's guard to protect that sleigh! Also the mouth-watering and luscious cookies made by our ladies made the party a huge success! Square dancers are such Angels!

Tie a string around your finger so you don't forget Ken Anderson's 15-minute workshop before each of his dances. The same string will serve to remind you Betty Wolcott has her very popular Round Dances, too. We dunno about Classes in other Clubs, but we are sure none can equal the verve and enthusiasm our Class has! They will be Pro's by the time they graduate! So, EKC-O members, keep on being Angels and helping out Class Nite.

Come on, all you EKC-O Squares, let's start the New Year right! Make our PROMENADER column Snappy, informative, bright! Someone taking a trip?

You give me hush-hush items and

I'll protect my source!

1981 brings our new slate of officers: Presidents--Clyde and Connie Siverd, Vice Presidents--Bud and Fran Dunn, Treasurers--Jim and Laurie Goff, and Secretaries Mil and Laura Craft.

Our attention is now focused on celebrating the birthdays of Presidents Washington and Lincoln with our annual Presidents' Ball to be on Saturday, Feb. 14, at Roth High School on East Henrietta Road, just south of the Thruway. All area classes are invited, as well as experienced dancers. All club presidents are invited free. There will be lots of good refreshments, special decorations, and the caller will be Ron Fotch. Invite your friends, for we always have a ball!

Our regular caller, Ben McGilvery, was home for a short visit in January on leave from his work at Saudi Arabia. He calls regularly and teaches the class for the Desert Squares in Udhailiyah. He also calls for the Arabian Hoedowners at Dhahran, the Flairs and Squares at Abiqui, and the Flying Squares at Khobar. Get out your maps, folks. We think it's just great that Ben is expanding our square dancing world.

We enjoyed a super Christmas party with our class members, a potluck dinner and dance with a surprise visit from Santa himself (who masquerades occasionally as Pat Coyle). See you at the Presidents' Ball!

They're still talking about it--What?--the fabulous Irondequoit Squares Annual New Year's Eve dancing party. Father Time and the New Year's Baby seemed to hit it off very well. Nancy and Nelson Coco showed great wisdom in selecting the evening of December 31st for this gala.

Members are looking forward to a new and exciting year under our new presidents, Ginny and Ed Penczek. They will be ably assisted by vice-presidents Lill and Bob Cunningham, secretaries Stella and Joe Nicoletti, and as treasurers Nancy and Nelson Coco. (Gee, this is the second time their name appears in this column!) Individually and collectively our new officers have demonstrated a flair for unusual and exciting dances. Looks like another great year for Irondequoit Squares.

Not to be forgotten is the fine teamwork of last year's officers. Our sincere thanks for their devotion to duty.

Regular highlight event of every year Our February 7th Valentine Ball. Traditionally class members throughout the area join with Club members for this fun-filled memorable evening. We hope that you will join us.

Our round dancers under the able direction of Brian Adams seem to increase in number at every dance. Our 7:30 to 8 workshop has proven most successful.

Guests are always welcome at the friendly club--Irondequoit Squares.

To start off the new year, I wish to thank all our guests and club members who helped to make our New Years Dance a success. And, needless to say, thanks to Dick Casper for doing such a fine job of calling.

The new year also is a new beginning for our club, as we have new officers. To Gary and Anna LaShomb, and to Ralph and Vera Keyes, you did a super job for the 1980 year. Our wish to Paul and Marilyn Schroeder, Jim and Alice Wilson, and Bill and Char Goddard: good luck for the 1981 year. And to all our club members, the officers need our full support in order to have a good, successful year.

In February, we will have a Valentine's Dance on the 13th. So-o-o get your sweetheart and come join us on the eve of Valentine's Day. I especially want to remind everyone of our yearly Sadie Hawkins dance. This will be held on February 27. You may dress-up for the occasion and the fellows must pack a box lunch. These lunches are raffled off to the gals at the end of the evening. Whomever buys your lunch is the gal you eat with for the evening.

Until I meet you in my square, bye for now.

A special thanks to all the officers for 1980 for all their good work. Congratulations to the new officers for 1981. They are: President: Jim and Donna Cornett, Vice President: Ernie and Debbie Rude, Secretary: Jim and Joan Bellis, Treasurer: Karen Gebauer.

Wedding bells are being heard. Walt Sinack and Pat Contant are going to be married in February. Walt and Pat have served as club presidents this past year. Best wishes, Walt and Pat.

Best wishes also to George and Linda Kishbaugh on their new arrival. Linda gave birth to a baby boy during the Holiday Season. That's a nice way to ring in the New Year. Congratulations, George and Linda.

February 20 and February 27 we have guest callers. All our friends are invited to come and join us. We wish everyone a Happy Valentine's Day.

With the holiday festivities over, we've several new memories of good times to add to the annals. Class and club members had a great time dancing to Jack Sadwick's squares and the Libertis' rounds at the Christmas dance. Cloverleaf Squares joined us for a New Year's celebration with the Carmens calling and cueing. The evening had some educational value as well, particularly about the manufacturing output of Akron. Have the families stopped feuding yet, George?

Amateur callers' night had several new visitors to the mike--well done by all! At the end of January, we all enjoyed various activities at a Winter Outdoors Day in Williamson. Thanks for your hospitality, Ted! Our February activities include a Valentine's Dance on 2/9, and Moonlight Bowling on 2/21. We look forward to dancing with the Triggers as our guests on 2/16.

That's all for now. Enjoy the lengthening days!

## Morton Country Swingers

Thanks to all the guests who made our Morton Country Swingers' Christmas Bazaar an overwhelming success. There were 16 squares dancing, and nearly that many at the refreshment tables. We hope our guests enjoyed that and Ron Fotch's calling as much as the Country Swingers enjoyed having you.

Our regular class and club dance on Dec. 18, began with a Potluck dinner and included a visit from Santa Claus with gifts for everyone. Class and club enjoyed a fine evening.

A Pizza Party was held on January 15, with Glass Slippers, Orleans Orbits, and Belles and Beaus joining us for pizza and dancing.

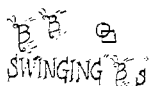

The Morton Country Swingers have been dancing for only five years and have produced two advancements of significance to square dancing. We have elected the first Grand Swinger. On January 8, 1981, the Swingers held its first baby shower for a member couple.

The Grand Swinger and the Morton Country Swingers issue a challenge to all clubs in the Rochester Area Federation of Western Square Dance Clubs to match us in baby showers. This is a 1981 Baby Shower Challenge.

President Mattern announced plans for a Banner Stealing Campaign for the 1981 season. Club members' vote was unanimous to vigorously carry out the banner stealing plan.

## Swinging BB's

Happy Winter! Hope everyone is enjoying our comfortably frigid temperatures. One must admit this is perfect square dancing weather.

February promises to be a pleasant month. On Feb. 7, we are holding our annual Valentine's Dance. We hope it will be a lovely dance. On Feb. 28, we will be ushering Spring in a little early with a Chinese Spring. Come one, come all, if you would like to partake in some Chinese Spring merriment.

Birthday greetings this month go to Marian Dorrance 2-2 Anniversary wishes to Hilda and Lane McCord 2-14. Our deep sympathy is extended to Emily Harrigan who lost her father in January.

## Promenading B's

I used to have an hourglass figure, but my, how the sands have shifted! I'm at that awkward age--too young for medi-care, and too old for men-to-care.

What a Christmas party! Dick and Margaret Harmor (from Byron) were responsible for all that! From the decorations to the potluck supper, to the punch and snacks following. Great job!

The B's have been out visiting other clubs in various places. Good to see our dear friends on their home terrain.

A banker went in for a check-up. "You're sound as a dollar," said Doc. "As bad as that," moaned the banker as he fainted.

Remember, we're having our special Valentine Dance across the road at the Gillam-Grant Center on the 13th. That's a nice hall and the dance always seems more festive at the center.

Definition of "Go-getter": a man whose wife calls from her meeting when she's ready to come home, and it's raining.

Final plans for the Black Light Dance on Sat., Mar. 28 will be made by the time you all get to read this zany news column. If you've never experienced a Black Light Dance, this is your opportunity. Everyone seems to look forward to it.

Have you had the pleasure of dancing in a square with Joan and Don Hall? It's a pleasure. Joan and Don were introduced to square dancing at the Alabama Jubileers quite a few years ago. They had to leave square dancing for a while; now they're back with it and have become members of the B's. It's a long haul from Oakfield to Bergen, but we do enjoy and appreciate your company, Joan and Don.

Try the B's--friendliness guaranteed.

## Triggers

Through the ice and snow, the Triggers keep on dancing. In this cold, snowy winter it's great to be able to get together and dance with friends.

On February 10, we will be having our St. Valentine's Dance. Each couple should bring their favorite hors d'oeuvre to share. There will be no dance on Feb. 17. Save March 17th for our St. Patrick's Day Dance. We will begin the festivities with a Potluck Dinner. Anyone interested in helping with the plans and decorations should contact Barb and Ed Cuthbert.

## Swingin' Eights

Our Christmas Party and Ice Cream Social climaxed a year that leaves us with memories of many pleasurable dancing experiences--thanks in a large measure to our officers' and special committees headed by our Presidents Tom and Ellie Anderson. This is also an appropriate time to publicly say "Goodbye" and "Thanks" to the Allens (Ed Linda, and their sons) who have moved to Boise, Idaho, in connection with Ed's job with Gannett Company. As past presidents, treasurers, etc. they were BIG in the success of Swingin' Eights, and we will surely miss them.

But now on into 1981, and here are our new leaders:

Presidents: Joe & Loretta Giaconia, 266-1707

Vice Presidents: Jack & Maryann Joyce, 544-6506

Treasurers: Tom & Helen Jones, 467-3128

Secretaries: Art & June Goodnough, 872-5486

Federation Reps: Will & Arlene Shepler, 342-9570

Ken & Joan Blind, 265-9883

Good officers are important, but they need the willing assistance and support of all the members. Do your part.

Don't miss our combined Potluck Supper/Sweetheart Dance 6:30 PM, at Ivan Green School, Feb. 7. Somebody might bring hot chili and you will be able to get hot lips to kiss your sweetheart.

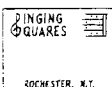

Please note that on Feb. 21st, our dance will be held at St. Margaret Mary School.

On New Year's Day as you watched the Pasadena Rose Parade on TV, did you see Helen & Bill Klein amongst the on-lookers, and did you notice how they were suffering from the heat?

Your reporters, Ed & Jo, left in mid-January for a few weeks in Florida. We would have liked to take you all with us, but it might be a bit too crowded in our VW Camptmobile. If you have any news for PROMENADER, please give it to Barbara Rosik who is graciously taking over in our absence.

## Singing Squares

Now that we have Christmas and New Years squared away we will concentrate on Valentine and Easter dances coming up. Our first dance is Feb. 4th. Feb. 11th is the Valentine dance and open to all classes and clubs. So, everyone bring your sweetheart. No dance Feb. 18th, due to Spring recess, but we will return Feb. 25th with Mike Callahan doing squares and Mike and Linda Liberti cueing rounds. They are with us every Wednesday at Thomas Edison School, 1612 Buffalo Road from 8:00-10:00.

Please join us there for a good time and fellowship. Refreshments served at the end of the dance. March 4 our guest caller is Bruce Shaw. We are looking forward to seeing him. We dance March 11th, and the 18th is our St. Patrick's dance. Our class is invited. Dances in April are the 1st, 8th, and the 15th which will be our Easter dance--again open to all classes and clubs. April 29th Al Howe will be our guest caller. We always enjoy Al and his golden voice.

Look for our flyers in PROMENADER for information about Valentine and Easter dances.

## Tecumseh Squares

Sunday evening, February 1st, from 7:00-9:00 PM, is the starting date for square dance classes in the lodge room at the Red Men's Party House, 1001 Lexington Ave. Classes will remain open through Feb. 15th. Jack Sadwick will be our experienced and capable instructor. All prospective new dancers are welcome.

Beginning Tuesday, March 31st, and continuing on Apr. 7, 14, and 21, Tecumseh Squares will sponsor a tag sale of square dance clothing. Members and non-members are invited to bring in square dance apparel they would like to sell. Each item should be visibly marked with the size and the amount you would like to receive for it. Racks to hang garments on and separate, private fitting areas will be available. Each person bringing clothing in will be facilitated by one of our members acting as a go-between between buyers and sellers. Look into your closets and bring along something to recycle.

Several activities of a special nature appear on our 1981 schedule, including a Valentine's Day Dance on February 10, and a St. Patrick's Dance on March 17. Our traditional Gourmet Dessert Night on May 19, Strawberry Festival on June 30, and Sundae Tuesday on July 21, are also on the books. In addition, the reinstatement of a special event, held for many years in the early days of Tecumseh Squares, has been approved for August 11. Details here as the occasions arise.

We extend a warm welcome to our leadership for 1981:

## Village Squares

A Happy and Healthy New Year to all our square dance friends. A big thank you to last year's officers--Joyce and Dave Smart, Mike and Mary Jane Herne, Bob and Shirley Sherman, and Dick and Jackie McCray for doing a great job. Also good luck to our new officers for 1981. We would also like to thank our caller, Dick Casper, and our round dance cuer, Bernie Hayward. We are looking forward to a great new season.

We are glad to report that our friends on the sick list are coming along fine--Paul Runyan, Jerry Ratliff, Bud Schafer, and Ruth and Hall Downey. Hope they're all back with us soon.

Last month we had Amateur Night and one of our talented member's name was left out--anyhow, Bud Hands, you did a great job!

St. Patrick's Day will be the theme of our class dance to be held on March 7. All class and club members are welcome. March 22 is our Annual Spring Fling and Pancake Brunch. Save the date and come join us for a day of fun. Remember Feb. 9th is our Potluck Supper Valentine's dance with the class..

Our Christmas Dance was a delightful evening of dancing entertainment, and eating. Thanks to Lou Trabalzi and Gail Hopkins. Also to Don and Monica Wildey and many other club and class members. The decorations were special--even if we couldn't eat the gingerbread men. Thanks to Audrey Pankraty and all her helpers.

## Victor Swing-A-Longs

Out here in Victor, we are looking forward to another good dancing year with some great new officers: Lloyd and Helen Tuke, President; Tom and Mary Lou Connor, Secretary; Barbara and Arlie Harmon, Treasurer.

On February 2 our class will be graduating. In the weeks following graduation, we will have a workshop at each dance between 8:30 and 9:00. Of course we will celebrate Valentines Day--that will be on February 9.

On March 2nd we will hold an Open House, and plan to start a new class soon after. A wide welcome awaits anyone interested.

## Wyco Promenaders

On December 17th, the Wyco Promenaders went to Pavilion and joined the Which Way Whirlers for a combined Christmas party. Everyone enjoyed a delicious tureen supper plus exchanging gifts. Jim Wheeler did a swell job of calling and his wife Linda doing the rounds. This was really different and what a nice way to share our friendship at Christmas with another club.

With the holidays behind us let's get out and dance. What better way can we wear off those extra calories? We're all looking forward to our 2nd Annual Valentines Ball on February 13th at 8:00 with Chip Kellogg and Jerry Carmen calling. Bring your Sweetheart and come join us for an evening of fun and dancing.

## Web Spinners

Everyone had a nice time dancing with our class, both at the Christmas Dance and New Year's Eve. Some comments overheard from the class was they didn't realize they could dance so well. Hope they keep up the good work. New Year's Eve was a huge success. Dinner was great, also the entertainment was super. Don't you think our band should consider marching in the Memorial Day parade? The New Year was brought in with a lot of well-wishing from everyone. And for those who stayed for cleaning up, breakfast wasn't too bad either.

Congratulations to Dan and Tommy Parshall on the birth of their first grandchild, a baby boy born on Christmas. Also, we're hoping Jean Schwieger is feeling better and out of the hospital by the time this newsletter is out.

Election of officers is coming up very soon. Anyone who would like to run for office, or if you know of someone you think would do a good job, should be sure to call Ron or Joan Magin.

Dates to remember for the coming month: Feb. 13, Valentine's Day Dance; Feb. 20, NO DANCE; Feb. 27, guest caller, Mike Callahan; and March 6, Election of Officers.

There was a very good turnout of Web-Spinners for the Mystery Dance. About 17 couples put on their dancing clothes and went out on a very cold night. We all know how bad the weather has been, but think on the bright side of it. Spring is only 90 days away, and then MAYBEE nice weather.

## Wayne Westerners

Happy 1981 to all of you. Hope your heads are all back in place after New Year's Eve. Since last report we had election of officers on Dec. 4. Our officers for 1981: President: Frank and Linda Clark  
V. President: George and Virginia Closs  
Secretary: Homer and Rachel Porter  
Treasurer: Ron and Pat Sippel

Many thanks for a job well done to our out-going officers: pres. Aubrey and Alice Hale; v.pres. Ken and Dorothy Wilcox, and treas. Ray and Rosemary Fregoe. Also, thank you, Jeff and Sally, for calling squares for us, and thank you, Dottie Reed, for cueing rounds.

On Dec. 18, we had a potluck Christmas dinner with our class and several guests present. You're right, we ate too much! Our good friend, Mike Callahan, called for us this night with Dottie Reed cueing rounds. Thanks to both of you!

On Jan. 8, Jerry Carmen called for us. Many thanks to you, Jerry. Sorry Jeff and Sally were under the weather. We also missed our presidents this night and hope you are feeling much better, Aubrey and Alice.

Here's a run-down for February: On the 12th we are having a dessert social. Each couple attending is asked to bring a dessert to share with the others. So let your belts out, guys! As school is closed on Feb. 19, there will be no dance.

Please be looking forward to our Apple Blossom Dance on May 15. It takes a lot of hands to put this together and make it a success. Everyone's help is needed, so please plan to be available!

You've been listening to my rambling on for two years--now you can have a break and listen to someone else. It has been fun but I'm sure you've heard enough from me. Now I'd like to thank you for putting up with me. So now let me say, Can't think--brains dumb!

Inspiration won't come!

## PRESS RELEASE

CALLERLAB is proud to announce the results of the election to the Board of Governors. This year we had 12 candidates who aspired to this high office and, unfortunately, only six vacancies were to be filled. Elected to serve their second terms were Frank Lane, Jack Lasry and Bill Peters. Elected for the first time were Harold Bausch, Orphie Easson and Ed Foote.

With this election, all members of the CALLERLAB Board of Governors will have been elected by the membership of CALLERLAB. Each year one-fifth of the Board has terms which expire and the membership gets an opportunity to elect the callers of their choice.

Other members currently serving on the Board include: Jon Jones, Chairman of the Board, Don Armstrong, Al Brundage, Curley Custer, Bob Fisk, Marshall Flippo, Cal Golden, Jerry Haag, Bruce Johnson, Lee Kopman, Frank Lane, Jack Lasry, Johnny LeClair, Melton Luttrell, Jim Mayo, Angus McMorran, Bob Osgood, Bob Page, Bill Peters, Jerry Schatzer, Dave Taylor, Bob Van Antwerp, and Don Williamson. John Kaltenthaler is the Executive Secretary and Herb Egender is the Assistant Executive Secretary.

For the Quarter beginning Jan. 1, 1981, the Quarterly Selections Committee has voted NO NEW MOVEMENTS. The Committee, consisting of a widespread cross-section of the United States and Canada, reviewed many different moves and felt that none of those being considered were suitable for use in the Mainstream Program.

This decision enables clubs and callers to review some of the overlooked figures of the Mainstream Program and also affords an opportunity to review both styling and smooth dancing.

The current Quarterly Selections consist of the following figures: Couple Up (4/80), Extend (the Tag) (1/77), Dixie Derby (4/79), Linear Cycle (2/80), Ping Pong Circulate (1/78), Roll (as an Extension) (4/76), Track II (3/76), Track and Trade (3-79).

The members of CALLERLAB will vote on which of these calls should remain on the QS list, which should be added to the Mainstream List (only Extend, Roll and Track II are eligible at this time) or which should be referred to some other list for consideration. We solicit your comments to your local callers, your local callers' association or to this office.

We would also like to remind you that the Plus Lists will come up for review this coming Convention (Kansas City in April) and any comments you may have for the composition of those lists could be sent to this office or to Jerry Schatzer, the Chairman of the Plus Level Committee. ## LEADERSHIP CONFERENCE

A very successful Leadership Conference, December 7, at the Green Lantern, was well attended by 130 dancers and callers representing 20 clubs. Both advertised topics "Dance Levels, and Dancer Attitudes" were hashed over. Even though no conclusions were reached, which by the way was not the purpose of the Conference, many were able to relate to situations in their own clubs. Everyone was separated into discussion groups and handed a situation question to solve. These questions and solutions were further discussed at length. The sessions were followed by cocktails, dinner and dancing. Appreciation is due the Carmens, Meaghers, and Callahans for their initiative in setting up and leading the conference sessions.
