50¢

VOL. XX NO. 3

ROCHESTER, NEW YORK

MARCH 1982

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

Editor's Note:

Recently we had the privilege of being on the program of the Leadership Conference and we are excited. We put together a 16-page flip chart showing how the PROMENADER is made. How many of you know that the PROMENADER is twenty years old this year? How many of you know that the first issue was printed in 1963 at a cost of \$1.50 per subscription?

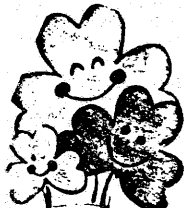

We are planning a birthday celebration in the fall and will tell you more about that later. February 7th was something else. We had never been to that type of conference before and we really learned a lot about the dancing community. Most of the people there were leaders of one sort or another in the field; callers, cuers, officers, Federation representatives, dancers and just anyone interested in the art of dancing. (We were the most nervous ones there but made it through just fine. Of course, the audience was most receptive and we certainly appreciated their response to our presentation....Thanks, folks.)

We feel everyone should know more about the Federation and it's role in the dance field and we'll try to enlighten you more on the subject in the coming issues.

Hopefully, March will come in like a lion and go out like a lamb but just to be sure, you all THINK SPRING, okay?

Nick & Arlene Caputo

IT'S YOUR FEDERATION!

The Rochester Area Federation of Western Round and Square Dance Clubs, Inc. is YOURS. It exists to enable member clubs to collectively promote Western style dancing in ways that are beyond the scope of most individual clubs. The "PROMENADER" is one result of that collective effort.

PLEASE NOTE that it's not the representatives that constitute the "Federation", it's the CLUBS they represent. Your club, and ultimately you are responsible for the Federation's endeavors, whether good or bad, successful or not. The representatives are the MEANS by which the individual club's will is imposed upon the Federation's collective efforts. At the same time, it is expected that once a course of action is agreed upon, the resources of each CLUB will be called into action, not just those of the representatives.

Get the most from your Federation----know your representatives----find out what's happening and be a part of it. See that your Federation representatives have regular two-way contact with your club's executive board. Let's improve our lines of communication first of all, and then let's all work together for the good of the TOTAL round and square dance community in the Rochester Area.

That's what YOUR Federation is all about!!!

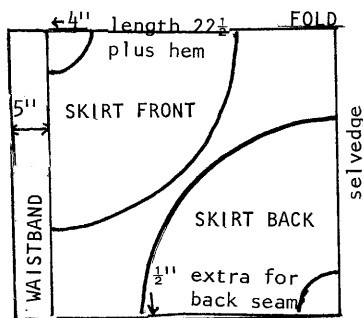

A circle skirt is one of the easier ones to make, and only takes 2 1/4 to 2 1/2 yards of material 45 inches wide. A pattern can be made from newspaper according to your own measurements.

- Example: 26" waist, cut down 4"
- 28" waist, cut down 4 1/2"
- 30" waist, cut down 5"

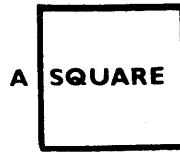

then add the length you desire, plus 1 or 2 inches for the hem.

The diagram below is for a skirt 22 1/2" long with a 26" waist.

An important thing to remember about a circle skirt is to let it hang a day before hemming. Circle skirts have a tendency to stretch on bias. So after hanging, measure evenly from waistband all around. Then hem it on the machine.

I'll be glad to help if you have any questions. Call Ironda Shoppe, 266-5720.

(Reprinted from Feb. '74)

Well, what's in the news? Energy crisis! It isn't new but it is on everybody's quivering lips and some has leaked into the pant's pocket. Those Arabs won't be satisfied until they have us riding a camel to the dance. I can just hear Paw saying to Law, "are you comfortable back there on your hump."

I've had an energy shortage for years, at least that's what my wife says. On the other hand, she says I've never been short on gas. Burp!

Speaking of gas, my dumb brother-in-law thinks Natural gas comes from eating beans and he doesn't know why there should be a shortage.

The schools that most of us dance in are conserving fuel by lowering the thermostat, especially at night. Now, I'm not saying that they are overdoing it but it is the first time I ever saw a caller wearing gloves to hold the microphone. It is also quite difficult to hear him through the muffler he was wearing. He sang a lot of blue notes that night.

I had some difficulty myself round dancing in my galoshes. Although Art Harris said that he didn't notice any difference in my dancing. What does he know? He had a ski mask on.

My wife likes to dance chic so she wore a blue dress to match her complexion. I think it was the first time that even the girls enjoyed the call "Yellow Rock."

I guess I'm exaggerating a little and what is cold for some is not cold for others. You know, almost every time somebody mentions cold I think of my Canadian friend who told me that one time it was sooooo cold in Montreal, that he saw a dog glued to a fire hydrant.

But lets get back to conserving energy. Energy in the sets!

Some dancers are helping by only doing a half square thru and a quarter in. There are others who used to do a full sashay who are now doing a half sashay and cutting down on the rollaway, too. I was doing my part by whispering during the Promenade, "tighten up the set, a little closer", til one smart aleck said, "if you get much closer I'll be behind you." Well!!!

As the gas station man said, "You can fuel all of the people some of the time and you can fuel some of the people all of the time, but you can't fuel all of the people all of the time."

I think I'm running out of gas, sooooo...

Thanks anyway,
Hal Abberger

DEMONSTRATION NEWS

Anyone wishing to dance in a demonstration (free, of course) should contact Covie and Betty Duncan at 426-2339. Demonstrations are important to the furtherance of square dancing and also provide a service to the community. There will be a demo at the Lilac Festival and Betty can tell you more about this and other demos. Why not give her a call? You are needed.

On Saturday, January 16, 1982, two squares plus two couples, participated in a demonstration for the Eagles Club on Buffalo Road. This demo was put on for the Eagles Club Western Night under the leadership of Mike Ford and Joyce Dorrance. The dancers were from various clubs and ten couples showed up in spite of the below zero weather. Many, many thanks go to the caller of the evening, Jerry Bradt, who warmed the dancers right up with his superb calling. The group even got some of the participants up to learn some of the basics of Western square dancing and they all seemed to enjoy being part of and participating in the fun. Maybe some of them will become interested in square dancing and will join us some day on the dance floor.

24th ANNUAL
D.O.R. News

Dance Over The Rainbow

Thanks to all who sent in suggestions for the handbook.

The flyers are out, the snow is melting and soon the flowers will be poking through the ground. May 1, (May Day) and D-O-R are heading our way. Before we know it the Graduation Ceremonies will be history and we'll have many new dancers in our midst. Let's encourage them to dance with us at D-O-R. It'll be their first convention type dance and their first experience dancing to a National caller.

As many of you know by now, Rainbows will be the theme for the decorations. We plan to have rainbows behind the callers on the wall but will keep the decorations simple. Your wearing of a little rainbow or colorful outfit will be the decorations.

We have kept the donation you make to come to the dance the same as last year, hoping a large attendance will keep the cost down for everyone. The college has said we could all dance together in the Tuttle Complex. We felt by doing this the newer dancer would have a better opportunity to see the pretty round dancers and maybe get out and try a contra or two.

This year we will have an R & R room. "Rest and Relax" with a cup of coffee or tea. Bring some cookies to share if you wish. The all day dancer needs a place to regenerate the "ole" limbs.

We're getting really excited about all this. Plan to attend and enjoy D-O-R this year. Next month we'll tell you a little background on the National callers who will be with us.

LEUKEMIA DANCE Update

Bob Ellis, Betty Wolcott, Dick Casper, Dottie Reed, Ken Boss, Chuck Prister and Bob Slomcenski Care. These callers and cuers are donating their time and efforts to make the Leukemia Dance a success.

The theme for this year's dance is "Through the eyes of a Child". Children, more specifically those children afflicted with cancer, is what Cure is all about. Since 1976, parents and friends of these children have worked to improve the treatment, care and facilities in the Rochester and surrounding communities. All funds raised are spent locally.

Saturday, April 3rd, 1982, from 7 to 11 p.m. at the Churchville-Chili Senior High School is the Round and Square Dance community's opportunity to say that like the callers and cuers--we also care.

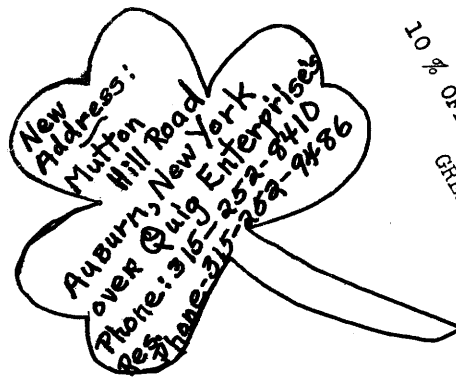

This dance is for all dancers--The Mainstream Hall is for all club level dancers, including new graduates or those about to graduate. The Mainstream Plus 1 hall will also feature some Plus 11 calls. There will be rounds in both of these halls plus a room exclusively for round dancing.

Tickets for both the dance and the quilt have been distributed to each club. So don't wait, get your tickets now!!

How fortunate we are--we can do something we enjoy very much and, at the same time, support the Cure organization, whose efforts have raised thousands of dollars to help fight childhood cancer.

Leukemia Dance--Care--Be there!!

CARMEN'S COLUMN

Jerry Carmen

ATTITUDE is a very important aspect of a dancer. It is not enough to only remember and execute calls perfectly, but to have a feeling for the whole square dance picture and how we can help it be better and grow.

I have noticed lately a trend to urge dancers fresh out of class into Plus 1 and 2 dancing, and from there, into clubs other than the club they learned with. Although this may be fine with the people concerned, let's take a look at the possible effect on the growth of square dancing in Rochester.

Our mainstream clubs grow or sustain their membership levels by sponsoring beginner classes. Since the Plus 2 and advanced groups generally sponsor no beginner classes they must recruit their membership exclusively from other clubs. Our problem arises when new dancers are recruited into clubs sponsoring workshops to advance them into another level. Normally it is these first and second year dancers who bring in the bulk of a new class. Many not only bring them, but dance with them as well during the class. If these dancers now progress into another level and stop dancing with the club they learned with, they will probably not bring their nondancing friends to an open house. As a result, our classes and clubs will become smaller and the whole square dance picture will suffer.

What is a solution? Clubs that sponsor beginner classes should refrain from trying to reach and sustain a Plus 2 level of dancing since that is too large a jump for most to make in the time normally allotted for classes. Clubs and callers should discourage their new graduates from attending Plus 2 and advanced workshops until they have danced with their club at least a year. Finally, clubs that do not sponsor a beginners' class should encourage their members to continue to dance with their home club. Total division by levels of ability and experience is one of the worst things that can happen to square dancing. Who was it that said, united we stand, divided we fall?

Contra Corner

It is with regret that I must announce a change in plans for Dance-O-Rama this year. Tony Parkes will NOT be calling for us and we will have only the evening dance with live music. Ed Butenhof, Rich Castner and Eric Rounds will be calling---and Eric has promised us the very best musicians he can find for an evening of fine dancing.

We hope to have our hall decorated as Sallie Paul has offered her assistance. (How many of you remember the first Dance-O-Rama at Brockport when she was in charge of beautifying the halls?) As plans now stand, we will have part of the evening for everyone to dance contras together---and part of the evening for the especially loved dances that will be "for the ones that know them". This portion of the evening can be considered "demonstration"---or a chance for square dancers to see what contra dancing is all about when lots of time isn't taken for teaching. As is true with all contra dances, more people can join the lines after the dance is in progress. For the ones of you---or for our group, too---dances and dance figures can be "known" even when the name of the dance is unfamiliar. Sometimes, the "I'll wait to join, after I see what they are doing---" becomes the prudent course.

There are several "rules" when dancing the contras:

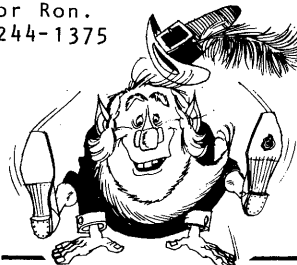

- 1-Always join at the end of the line (you can rush out in the hall to get at the top---or start a new line)
- 2-If you are "new"---try to get in the middle of the line as it grows.
- 3-As you face the head of the hall with your partner, the woman should be on her partner's right side---then face each other and back into place. The caller tells you to "cross over" if he wants you to.
- 4-Once the dance has started---DON'T LEAVE!! It is even worse to leave the line in a contra dance than it is to sit down in the middle of a square.
- 5-Just because a "swing" is 8 or even 12 counts long DOES NOT mean it has to be fast. Walk slowly around if you wish. You can ask to go slow.

Ed Butenhof and Rich Castner are both willing to have afternoon contra and traditional square workshops for square dancers if there is enough interest. All we would need is about 16 to 24 couples. A contra workshop should be about 1½ to 2 hours long. With this information, you would be able to do all the evening dances with confidence. If you are interested, phone me. Remember, this is family kind of dancing. We have always welcomed children in our hall----about 9 years and over---with adults, of course.

Ron Fotch is also trying to have clogging demonstrations and workshops available. Next month we will give you final plans. Remember---if you want the workshops, phone me NOW---or call Betty or Ron.

NEWS

Belles & Beaus

Belles and Beaus members wish to thank Mary and Evan Smith for a job well done reporting for the PROMENADER.

Bob Balsis has been hospitalized. We pray for a speedy recovery and we are sure cards would be appreciated. Betty Cushing and Al Blossom are recuperating from surgery and we hope by the time this is printed they will be on their way to recovery. So much for the bad news.

We are glad to have Tom and Carolyn Stewart back dancing after a series of health problems.

Is Bill Hoysic really old enough to retire? This is what we hear. Congratulations Bill, we wish you the best!

Now that the worst of winter is over and we are not missing classes because of snow days and vacation, the class is advancing fast. Many joined us for the pot luck supper at the Greece Grange and we all had a great time. Art Harris will surely have them ready for graduation.

Ron Fotch will be our guest caller Monday, April 5th. We hope you will all join us for an evening of fun.

Country Twirlers

Ernie Carviel and 20 couples of Steel City Squares from Hamilton, Ontario certainly brightened up our dance on January 30th. Our friends across the border are friendly and fun to dance with. We also enjoyed dancing with a large number of friends from several area clubs. It was a wonderful evening of dancing.

Now that Valentine's Day has passed and hopefully our horrible winter also, it's time to look forward to March and the "wearing of the green".

Mike Callahan will be our caller on March 6th and Bob Slomcenski will cue the rounds.

Jim McQuade will be our caller for our St. Patrick's Party on March 13th and again on Fri., March 19th.

Ed Foote will be our caller on March 27th and Bob Slomcenski will cue the rounds. Please note we will be dancing at Florence Brasser School, 1000 Coldwater Rd., for this dance only.

It was good to see Margaret Tyo feeling better and round dancing recently. Hopefully we'll see Bob & Margaret square dancing in the near future.

Keep happy and Think Spring!

Boots 'N' Slippers would like to invite everyone to come and dance with us at our St. Patrick's Day Dance on March 12th. Mike Callahan will be calling. A Door prize will be given to each guest attending.

We enjoyed having the Hilton Hillbillies dance with us. We also enjoyed their baked goods which they sold. Wonder who made the beautiful afghan for which they were selling raffle tickets?

We were glad to see Bob Atwell back with us following recent surgery.

Copy Cats

The Tilley's and Higgins did a marvelous job of decorating for all the Sweethearts at the Valentine's Dance. The Copy Kittens are up on their dance steps and helped fill our hall. A great dance!! Glad to report that Carol Wilbur's wrist is mending.

On March 27, after the dance, there will be an open general club meeting for all club members. Every member please plan to be there and show support for our hard working officers.

"Traditional" roles will change in April---- Men's Night to prepare dessert----watch for more details. Count calories now and eat lots then.....

Country Dancers

As always, Country Dancers open their doors to everyone in the community. If you'd like to try something different---try us. We always have live music. The bands listed for this month include: 3/4-By the Book; 3/11-Tompkin County Horseflies (from Ithaca); 3/18-Blackthorn Ceilidh and 3/25-Mitzie Collins and friends.

Whenever we are lucky enough to have Tom Bohrer call for us, we have an evening of English Country Dances so the program and the music are different. All other nights we have a mixture of contras and traditional squares in different combinations according to the whim of the caller. Please phone me if you plan to attend our dances. We are looking for another hall. Snow cancellations are broadcast over WXXI-FM.

It will be interesting to hear our travelers relate the highlights of their trip to Hawaii. Welcome to our new members Norma & Ted Bartlett. It is always a joy to be in their square. We are having a St. Patrick's Day Dance on March 17th. Jane & John Oakley and Betty & Bob Heindl are on that committee.

The Ellis' are planning a trip to the '82 National Square Dance Convention in Detroit via Trailways. Contact Nancy & Bob for reservations. Any cancellations of future dances due to the weather will be announced on WHAM radio. Frankly, we have had it up to here with the white stuff.

We urge everyone to attend the Leukemia Dance on April 3rd. Our own Bob Ellis and Dottie Reed (cueing) will be among those calling for this very important event. On the 31st of March we are having a Hawaiian Night so dig out those mumus and matching shirts.

Congratulations to Nancy & Bud Langeon on their 27th anniversary on February 20th.

EKC-O Squares

Greetings Everyone:

March will be a great month for Square Dancing (especially EKC-O Squares). We start right off with Cliff Brodeur from Pittsfield, Massachusetts and then our Club Caller, Bud Redmond will officially start his year of calling for us the next week. Mo Howard and Ed Foote will finish off the Friday Night Dances before we change back to Wednesdays and back to Kodak Office on State Street with Bud Redmond.

Betty & Bert Wolcott will be here cueing the Rounds at 7:30 as usual.

We were happy to see Anne Phillips back dancing with us so soon after surgery. Just proves you can't keep a good woman down.

It's also nice to see Louie and Jean Kuchman able to dance more often with us. (Can't keep a good man down either!)

Bill Doell is steadily improving from his broken hip accident and may be able to visit us soon. Looking forward to seeing you, Bill!

Les & Vi Walther could surprise us with a visit anytime, too. We miss these friends and wish they would check in occasionally.

To all our fair weather members who have gone south for the winter: Hurry back! The weather has been Great! But the dancing's Greater!

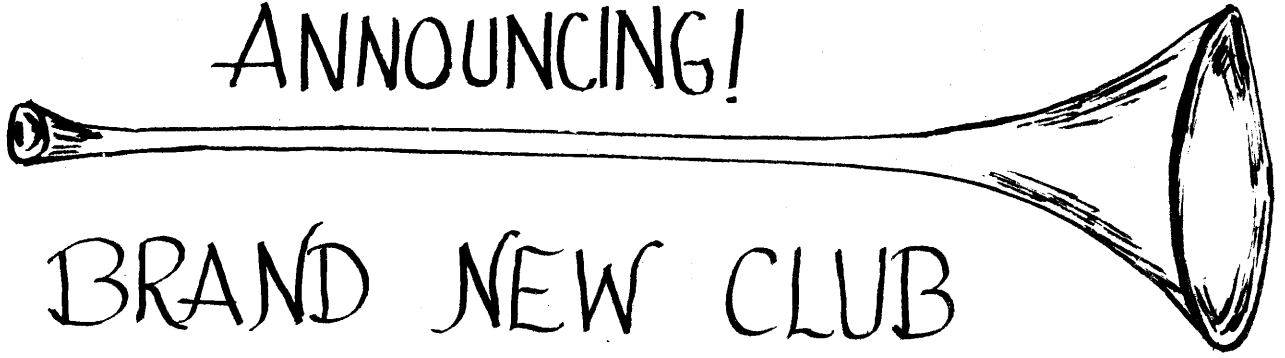

We would like to thank Ruth Haeefele at this time for her Italis Calligraphy work on the cover of the 20th Anniversary Booklet for EKC-O Squares. Need fancy writing on something? Call her. She says she likes the practice.

So, to all our friends: Stop by, Say Hello, Stay and Dance and Come Back.

Young Dancers Welcome.

FUN is our FIRST NAME!

Genesee Dancers

The Genesee Dancers wish our Charter and Life Members, Dick & Carrie Smith a happy retirement. They both recently retired from the University of Rochester and are enjoying sunny Melbourne, Florida in their Airstream.

Happy retirement wishes also go to Dick McCray (from Web Seal) and Elaine Roeder (from the Irondequoit School system). May you both have a healthy, long retirement with lots of dancing.

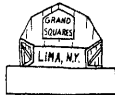

We welcome our newest members, John & Dorothy Hartman who joined our club when John was transferred from sunny Los Angeles to snowy Rochester. John & Dorothy are beautiful dancers and a great addition to our club.

We are glad to know Helen Castor is home recuperating from surgery and we all wish her a speedy recovery. We understand that Nancy & Bud Lang, Jackie & Dick McCray, Daisy & Pete Nichols and Doris & Bernie Root had a great weekend in Atlantic City. We hope they all won!

We are all looking forward to our April 1st "Pot Luck" dinner dance. (This is closed ----- members only.) We understand the men are the April 'fools' because they have 'volunteered' to handle the meal and clean-up. We hope the floor isn't too slippery when we start dancing.

After February 1, membership dues are half-price for the remainder of the dancing year.

Our 1982 Committees are: Social: Nancy & Bud Lang, Flo & Bud Parker, Naomi & Dick Kingsley, Doris & Bernie Root, Mary & Verne Kailburn; Membership: Rita & Frank Boas, Daisy & Pete Nichols; Hospitality: Anne & John Connelly; Sunshine: Sue & Dave Ernst; Historian: Carolyn & Roger Bastian. Senior Federation Representatives are Verne & Mary Kailburn; Junior Federation Representatives are Ed & Janet Leurgans. Information: Reporters, 248-2298 Graham & Lorraine Chamberlain

Lima Grand Squares

Well, we all enjoyed a nice evening at our Sadie Hawkin's Dance where the fellows auctioned off the box lunches that they had prepared.

Spring is just around the corner and so is the Wearing of the Green at our Saint Patrick's Day dance to be held on March 12th. As always, guests are welcomed, we hope to see you there.

Information: Reporters, 346-3836 Bob & Jean LaBore

Henrietta Friendship Squares

Do you enjoy hearing the familiar songs from our past? Is there a tune that brings back special memories? If so, come join us on March 13th for our "Golden Oldie's Night". Our singing calls will be "Songs You Love to Remember". We are sure the evening will be a hit with you.

Our regularly scheduled dance on March 27th will not be held in order that all our members can join the Promenading B's at their Black Light Dane. This is a unique experience. We hope all can be there to represent our club and enjoy the fun.

On April 3rd we will have a guest caller. We'll try our dancing skills as we swing to the voice of Jeff Elmore who regularly calls for the Wayne Westerners. Let's all be there!!!

Information: Reporters, 334-9580 Dick & Donna Generas

Glass Slippers

The Glass Slippers invite class and club members from area clubs to dance with our class and club from 7:30 to 10:30 every Wednesday night. Ron Fotch will include club tips in his calls.

We're still hearing from our friends about the good time we all had at our Country-Western Celebrity Night when Joelle was our special guest. The weather was bitterly cold but it didn't snow, so a lot a brave dancers joined in the fun.

During one dance, Joelle and Ray Laws danced with several partners - for a contribution. The result was a sum of money for the Mothers' March of which Joelle is the area chairperson. I never did find out who that fellow in the yellow shirt was----the one who had the last dance----with Ray!----with a fancy dip at the end!! It was all in fun and it was fun!

On February 10th we celebrated our seventh anniversary as a club.

There'll be a "wearin' -o'-the-green" for our March 17th dance as we honor St. Patrick. It'll be a great time for the Irish and for the rest of us, too.

There's been a lot of sewing going on around here as we gals have whipped up blue and white club skirts. No, I don't believe Dick and Carl made theirs. The fellas have shirts or ties to match. Ron & Betty's daughter, Judy, did a super job on their outfits.

Remember! Come to Brockport to enjoy a good evening with the Glass Slippers.

It will be our pleasure to have the following clubs join us on the 6th for an enjoyable evening dancing to the fine calling of Jon McNally and the cues of Brian Adams for rounds: Web Spinners, Genesee Dancers, Kuntry Kuzzins, Triggers, Belles 'n' Beaus and Singing Squares.

March 13th we will have a Mystery Ride. That will be a fun-filled night. Nelson & Nancy Coco are sure to have many good surprises to make it a special event.

Hear Ye! Hear Ye! Dick Casper will be calling our dance on March 20th, the first day of SPRING. Let's celebrate it's arrival together. Won't you join us?

The beginner's club is well prepared for their graduation, April 3rd. They have been dancing at the various beginner's dances, as well as our Valentine Dance and we are looking forward to their squaring up on a regular basis at the club.

Plaudits to Brian and Judi Adams who drive from Albion in all kinds of weather to cue for the rounds. We really appreciate their willingness to make the trip so faithfully.

Square Dancers Sharing

We all had a good time at our Christmas dance with Jerry Carmen calling. Sorry we had to cancel our January 16th dance because of the weather. We had planned on a good time with guest caller, Jack Sadwick.

It's been a long, cold winter but Spring will be here soon and to help us get in the Spring-time mood, we have a special feature coming up on Saturday, March 20th. A Fashion Show will be presented by Carriage House Fashions of Auburn, N.Y. Here's a good chance for class members to see what's available in square dance apparel and accessories in preparation for graduation. And, maybe some club members would like to add to their square dance wardrobes. It's always fun to see the new, colorful outfits. Visitors are welcome, so come wearin' your green and enjoy the fashion presentation and dancing to the calling of "Ron O'Fotch". Besides the clothes, there will be samples of various other square dance supplies and accessories.

Our March 6th dance will be held at St. John's Episcopal Church, E. Center St. at Church St., Medina, N.Y. We dance from 8 to 11 p.m. and class members are invited to all our dances. Information: Reporters, 772-7125 Clare & Rosemary Gilbert

Singing Squares

January found everyone happy to have put away the holiday rush and hecticness and begin the first steps and twirls of a new square dancing year. Club members and guests alike are even growing accustomed to traveling between halls each week or two.

At our January 20th dance at Edison School, an International Dessert Night, tables were arrayed with many delicious looking, as well as scrumptuous tasting pastries. The dishes included German chocolate cake, cherry cheese cake, waffles, Dutch apple pie and a special dessert - English Trifle - which was made by Barbara Want. Besides our regular-type music and songs, Jerry Carmen had all stomping to the tunes of an Irish Jig, a Mexican dance and an Israel folk number to name a few. And, let's not forget our own Yankee Doodle Dandy.

We will have five club dances in March and all clubs are invited. There will be a variety of styles this month, for in addition to our rounds cuers, Mike & Linda Liberti, we will have three different square dance callers in those five weeks. Besides, Mike Callahan and Jerry Carmen, our special club callers, we will welcome Al Howe once again on March 24th.

Save the date March 17th and don your Irish smile and spirit to help celebrate St. Patrick's Day. No blarney intended, this could be your evening to uncover a four leaf clover - and good luck will befall you for the rest of the year.
Information: Your reporters,
227-2117 Lee & Sharon Race.

Swinging Eights

The Swinging Eights enjoyed a lovely Snow Ball Dance and it was good to see a crowded ballroom. We were very happy to welcome our many guests and a good time was had by all. We look forward to having a large turnout again for our St. Patrick's Day Sing-a-Long on March 13th at the Ivan Green School. So, for a real fun evening, get in tune with the Swinging Eights.

We note that some of our members have escaped the snow and ice of Rochester. Doris and Russ Jenkins were in Florida and we are happy to hear that Russ is feeling better. Jo and Ed Schipper have also been vacationing in Florida. Mary Prado is taking a trip to San Salvador in the Caribbean (not where the trouble is) with a scuba-diving group. We asked Mary whether she might find gold down there and she replied that she'll probably find goldfish instead. At any rate, we're certain that she'll enjoy the warm sunshine and sparkling sea.

George Riesenberger is recuperating from surgery. Hurry back, we miss you, George.

Triggers

The long awaited event has occurred. Ellen & Ed White are the proud parents of a baby girl, Meghan LeAnn, born January 14th, 1982. We were all hoping she would be the "New Year's Baby" but she was a little late. Maybe weighing over nine pounds had something to do with it!!

In order to get the Triggers to stop reminiscing about the delicious Hors d'oeuvres at the Valentine Party, we are planning a Pot Luck Supper for St. Patrick's Day. Bring your appetite and your favorite dish to pass to Parkland School at 6:30 on March 16th. Dancing will follow at 8:00 p.m. I'm sure those of you that miss the supper will be "green" with envy when you hear about the good time we had.

The Triggers are proud to have Mabel Wordinham in our club. Not only did she make the Century Club, but she made it twice by dancing to over 200 callers. An interesting sidelight is that her first caller was her teacher, Art Harris, and the last was his son, Mike Harris. Congratulations, Mabel!

Remember-we dance every Tuesday this month. See you then.

Tecumseh Squares

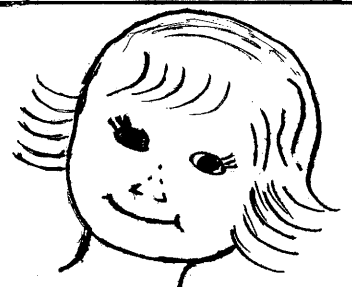

The Valentine Dance was a resounding success. Who would ever have guessed that the "secret box desserts" would be so delicious and fattening!

March is filled with variety for the Tecumseh Squares. On March 16th we will host the St. Patrick's Dance. Two guest callers highlight the evening. Starting at 7:30, Dottie Reed will workshop rounds. At 8:00 Dick Casper will be calling squares. The last time Dick was a guest caller he kept looking for "little green men". Do you think he will find any at the St. Patty's dance? Come on out and join the fun.

To get April off to a flying start, we have Jack Sadwick on stage as our guest caller. Don't forget that we dance every week with Bruce Shaw and Mike & Linda Liberti. The rounds workshop begins at 7:30 followed by squares and rounds from 8:00 to 10:30 p.m.

The Pioneer Squares dances for March will be on the 12th and 26th.

The dance on March 12th is our 5th Annual Shamrock Caper. Our club members look forward to this fun dance. There will be prizes and surprises---plenty of good food. This is a class-club dance at \$4.00 a couple. We look forward to seeing all of you there. The motto of the Pioneer Squares is - "The More - The Merrier".

A bright red star for the foreheads of all our club members. Our dance on January 8th had 100% attendance in spite of the adverse weather conditions that night. It was great to have everyone together -- let's try to do this more often!

Swinging Singles

Trying to chase away the last blues of winter? Want to get those few added pounds off? Are you thinking of ways to limber up for those first few chores of Spring? Come join the Swinging Singles for their March dances and add a bonus to the above--have some down-to-earth FUN!

The Class members are twirling and learning those last dance steps. The Club members are looking forward to welcoming them to the Club at the end of April.

George Phillips will never forget this year's Valentine's Dance on February 8th. The Club showed George just how many people got to know him during his square dance years. The special entertainment of the evening was a roast of George at which time he was presented with honorary membership and a club badge. It was our way of saying thank you to George for all he has done for the club and for square dancing.

We are also pleased to announce the engagements of some of our members. Congratulations to:

The Club will be welcoming Henrietta Friendship Squares as guests on March 8th. A pattern of green shirts and skirts will be seen on March 15th to celebrate St. Patrick's Day. To make the last days of March a real treat, the Club will have Brian Adams as guest cuer and Jack Sadwick as guest caller.

From beginning to end, the March dances will prove that skiers are not the only ones who can find enjoyment in the last winter months. Being a skier, I just double MY fun.

Promenading B's

What a terrific class we have this year! They are all such friendly people. March 12th the class will have the opportunity to host the class-club St. Patrick's Day Dance. It is an event they will find to be both fun and challenging. This is a class-club level dance open to all other classes who would like to come and celebrate St. Patty's Day with us. We will have our club St. Patrick's Day Dance on March 19th. Remember, the class will dance with the club all night on March 12th and we are looking forward to seeing a lot of people from other classes at this dance.

This is a special year for the Promenading B's. You are invited to our famous Black Light Dance on March 27th and help us celebrate the club's Tenth Anniversary. Our Ron & Betty Fotch have been with the club for these ten years and have been primarily responsible for it's growth and reputation for being the "Friendly Club".

The Black Light Dance will be held Saturday, March 27th, at the Byron-Bergen High School (no dance Friday) located just off Route 262. The celebration starts at 7:30 p.m.

Do-sa-dos under the lights with outfits trimmed in white create a fascinating effect. All class and club members are invited to attend. Your are guaranteed a good time.

A good time was had by all who attended our Snowman Dance. Eight of our dancers predicted within an eighth of an inch how much of the snowman melted by ten o'clock. On such a cold night he did not melt very fast, even with the "hot tips" that were called. Thanks to everyone who brought those delicious refreshments and a special thanks to Marg & Tom Reynolds for the clever decorations and to Rita & Ken Tucker for bringing the snowman in his own laundry tub.

March will be a busy month for the Village Squares. The annual class dance will be on March 6th. Our energetic class is working hard to make this dance even bigger than last years. It will be interesting to see if they can beat the previous class. All club and class members are invited.

Our St. Patrick's Dance will be on Monday, March 15th. Come and help celebrate the "wearing o' the green".

On Sunday, March 21st, we will be having our Spring-Fling with guest caller, Art Harris, sharing the microphone with our own Dick Casper. This promises to be an afternoon of great dancing.

The dancing season is progressing very well at the Web Spinners. Holiday party dances were well attended and Judy's style show was one super success. Dancing in the halls was a new experience for us. Maybe next year a larger hall will be necessary? Thanks to all our club guests, class members and Web Spinners who made that a memorable night.

It looks like our square dance class is doing very well this year. Although few in number, we hear they are very dynamic and very devilish. We wonder if the 'Black Book' is in jeopardy... again! Through their Reps, Donna and Jerry Webster, they extend appreciation to the club for party invitations and to all the Angels who are helping this year. Keep up the good work, gang, and we are sure that another fine class will graduate...with honors?

March brings us a little bit closer to Spring and club elections which are scheduled for the 5th.

Our annual St. Patrick's dinner dance will be on the 12th the Tanghes and Bodensteiners preparing this extravaganza for us. We know it will be an enjoyable evening.

March 19th brings us another popular all singing call night with Bill Wilcox at the reins always providing a relaxed evening for all.

A regular dance will round out this month on the 26th.

This season is not over yet but your Board has been busy looking ahead. Summer activities are planned and next year's schedule is starting to solidify.

Until next month, Happy Dancing.
