# Editor's

## Note:

Working with the schedule this month, we've noticed many mystery rides scheduled. Great, but we also noticed a lot of "No Dance" appearing. Please be thorough in your planning so that a mystery ride doesn't end up at a "No Dance".

By now Alice and Angie DeFelice (address below) have received a complete (names and addresses with zips) lists of your graduates. These graduates will receive an introduction to square dancing through the May, Summer, September, and October issues of the **Promenader**.

The Special Events Calendar seems to be extremely well received. Please use it when scheduling events. Only you can make it the useful tool it should be, by not scheduling an event on a date that is already taken. The courtesy you extend others will benefit all of us. Remember, I can't make an entry there-to without a check there-fore!

The new club logos lead the club news this month. A lot of time went into them, thanks to all who helped.

## SPECIAL EVENTS

### NEW CRITERIA

At the January 12 meeting of the Federation, the following recommendations for the Special Events Calendar were accepted:

1. Each listing for each special event should be submitted to the Editor of the **Promenader**, who shall be the new Keeper of the Calendar since it is more feasible that the information be sent to one central place.
2. A nominal fee of \$5.00 shall accompany each Special Event listing, based on the assumption that if one couple attends the special dance the listing has served its purpose.
3. The listing may include club/class dances (to be so indicated). The \$5.00 fee will be a one-time charge for each event until the date of the event has elapsed.
4. The Special Event should contain the date of the Special Event, the sponsor of the event, and/or name of the caller.
5. The Special Event shall be listed in each issue of the **Promenader** including the month of the scheduled event.
6. This new policy will commence with the April 1987 issue of the **Promenader**. For printing in the April issue, the information and check must reach the Editor no later than March 3, 1987.

# Caller Profile

BOB AND NANCY ELLIS

Bob and Nancy Ellis are known by many dancers over the years. Since the early 1950's Bob and his band played for round and square dances in the area until introduced to Modern Square Dancing in the mid 1960's. Beginning in 1973, Bob became a full-time caller. In addition to calling, Bob works part-time as a school portrait photographer, and Nancy is Manager of the Webster Branch of First Federal Savings and Loan of Rochester.

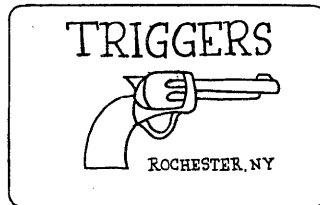

You can enjoy Bob's calling at Cayuga Cut-Ups, Auburn; Buds and Blossoms, Arkport; or their three "Caller Run" Clubs in Rochester. These caller clubs have annual workshops to teach dancers the next program in dancing. You can reach the Ellises at 4564 Yautzy Road, Stanley, New York 14561.

Bob and Nancy sponsor campouts and weekends, and escort dancers and friends to Nashville, Atlantic City, the Caribbean, and Hawaii. They are now planning their fourth Hawaii trip for February, 1988.

The Ellises feel that the fun and social aspects of the square dance activity are most important. The "level" of the dancing serves to bring people of like interest together, forming different clubs.

# SPOTLIGHT ON

"Triggers" owes its existence to Myron and Peg Huss, who had learned Western square dancing with Belles and Beaus in 1957. Myron started calling in 1961, was chairman of the Rochester Callers Association in 1962, and attended a callers' school in Massachusetts with instructors Al Brundage and Earl Johnston. At 8:00 pm on January 8, 1963, Myron and Peg arrived at Bethany Presbyterian Church on Dewey Avenue to greet their first class of five couples and two assisting couples. After dancing from January to May, the group decided during the summer to call themselves "Triggers", a name suggested by Bob and Barb Patchin. Class sessions resumed in October at the Husses' home. On December 12, 1963, graduation was held at a Christmas party; and the first group of officers was chosen with Bill and Myrtle Wiley as presidents.

The first set of by-laws was dated April 29, 1964. "It shall be the purpose of the Triggers to further our knowledge and skill in the art of Western Square and Round Dancing and to enjoy through the spirit of friendliness, loyalty, and cooperation the pleasures of good fellowship." This credo evidently works - over half of our couples have been members for longer than ten years.

Boots and Slippers were guests at a Triggers Halloween dance while RAF members were voting to have the Triggers join the Federation on October 27, 1964. The first Federation representatives were Bob and Jo Mendell and Bill and Sandie Tacy. The Tacys were also the first Promenader reporters.

The dancing brings us together and gives the club its reason for being, but a mutual respect and an outgoing affection bond the Triggers into a comfortable and enduring group. Outside, we support charitable events; and we make a deliberate effort to demonstrate the exuberance of square dancing at schools and churches and to bring some of its excitement to local nursing homes. Inside, when any Trigger needs us, we're there.

Like all clubs, we've had our lean periods and our prosperous ones; but we've always had a sense of family and of continuity. Peg and Myron created a set of photo-scrapbooks dating back to our first year. They show an unusual mix of special events, for which we hand-make commemorative badges. We celebrate all the annual holidays, of course; but we throw in mystery rides, desserts-for-two, pie auctions, amateur caller nights, our famous annual Bunny Hop, and winter and summer picnics. These traditions thrive under the guidance of Mike Herne, our present caller.

The art of Western dancing and the pleasures of good fellowship: the earliest Triggers set the standards. The latest Triggers keep them alive. We dance Tuesdays at Parkland School in Greece: rounds instruction at 7:30, squares and rounds beginning at 8:00. If you'll join us, we promise you'll feel welcome. For more information call Presidents John and Paulette Bo at 254-0756.

## PRESIDENTS' CORNER

Only a few weeks down the road, we'll be graduating our new classes and getting ready for D-O-R. The prospect of getting to know and dance with many new friends is exciting to me. I know you all feel the same. I went to the President's Ball last night and what a fun dance that was! The refreshments and munchies were great, but the best part of a dance like that is the nostalgia. You can't help remembering your first year of dancing. What a happy time that was!

There's a special kind of joy in a new dancer and some of it is bound to rub off on anyone who participates in a class/club dance. Seeing those new happy, smiling faces and realizing you'll be seeing them around for years to come warms your heart. What can equal the pleasure of having someone say thanks for getting us through that, after you've gently guided them through something that was simple for you but difficult for them.

If you don't go to class/club dances, you're really cheating yourself out of real heart-warming fun. If your batteries are getting a little run down, a class/club dance will recharge them. The best thing square dancing has to offer is the people - old and new. You'll be so refreshed and encouraged that you'll run a year on the happy glow of friendships.

Have you noticed the young people in square dancing. I mean young - like 8 and 10 year olds. I commend you parents for the great sacrifices you've made to take these youngsters to all the classes (and missing some of your own to do so) and supporting the young clubs. Perhaps it's that extra effort that makes these youngsters so well behaved and interested. They are excellent dancers, a joy to have around, and a credit to our community. What a heritage you're giving them. They'll thank you all their lives and you'll never regret the extra love it took to start them in a very special activity. (They are the best dancers around, grab the opportunity to join their square - you'll feel you've been out-danced no matter how good you are.- Ed.)

## THE MAILBOX

Letters to the Editor

Dear Editors:

This letter is a reply to the dancer who commented in the March Issue of the **Promenader** that there was a lack of information regarding the Empire State Square and Round Dance Festival.

ESSARDF has a publicity chairman who resides in the FLADA area who sends monthly press releases to the various square dance magazines across New York State. As stated on the fly leaf of the **Promenader** "the editors reserve the right to edit, omit, or delete material submitted for publication."

The dancer will find that the editors have listed ESSARDF in the Special Events Calendar since October 1986. The editor has also inserted copies of the registration form in October 1986 and March 1987 issues.

The February Issue, page 6, also ran a full profile of all the callers and a list of the Host Committee members. We really believe the editors of the **Promenader** and the members of the ESSARDF Executive Board and Host Committees are doing their very best to give the 1st Festival all the exposure and attention it deserves at this point and time.

To quote a recent **Promenader** front page, "Who is going to pull the cart when all the horses want to ride?" If anyone needs information or has questions concerning ESSARDF '87, please feel free to call us at 225-7246. It is not the intention of the Executive Board Committee or the editors of the **Promenader** to withhold any information. We want you, the dancers, to support us and have a good time at this dance!

Jerry and Joan Sanford

To all Square and Round Dancers:

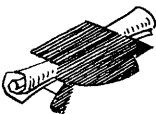

The D-O-R '87 tickets are at last ready for distribution.

If you would like dinner tickets, please order them from your club ticket person or from Lynn and Rose Marie Brady as shown on the D-O-R flyer. We are limited as to how many dinners can be served by each church group, so we aren't able to send a supply of tickets to each club. Please be sure to order before April 20.

Your D-O-R Chairperson,  
Elsie Epke

### GRADUATION PRAYER FOR BEGINNERS

May you dance as long as you want to,  
and want to as long as you can.  
May your toes never stop tapping  
to the beat of a square dance band.  
I wish you a smile on your corner,  
and a partner that really can swing.  
And each hand a handclasp of friendship  
as you right and left grand the ring.  
May you never forget the struggle  
when your lessons were finally through.  
May you always reach back with a helping hand  
that someone extends to you.  
May you never become a dancer that knows all  
and there's no more to learn.  
In the midst of the muddle, come out of the huddle --  
could be that you made the wrong turn?  
And as long as you're dancing, enjoy it and the friend  
that you make 'fore you're done.  
With a smile and a song, promenade along,  
'cause you square dance, my friends, just for fun!

## WHAT IS...

1. Q. What is a "festival"?

A. A festival is like ten club dances in one. Festivals (from one to three days in length) attract hundreds of dancers. Usually dancing is going on in three or more rooms at the same time. Experience Rochester's next festival at Dance-O-Rama on May 2 in preparation to the big one - The Empire State Festival in October.

2. Q. What is a "guest caller"?

A. A guest caller is calling at your club when your regular club caller isn't. Occasional guest callers are extremely beneficial to a club and should be a regular part your club's yearly schedule.

3. Q. What is a "club"?

A. A club is made up of and reflects its members. A dancer-run club is when individual dancers unite to form a living organization, that hires a caller and promotes their common interest in square dancing. A caller/cuer-run club is when a caller/cuer presents a dance program to appeal to individual dancers. His dancers may or may not form a loose organization for social purposes.

4. Q. What is "camper-dancer club"?

A. This club promotes their common interest in camping and dancing as The Sets In Motion Club does.

5. Q. What is a "hoedown"?

A. This word has different meanings. 1. The music that a caller uses for his patter or hash calls. Usually the first half of a tip. 2. A large dance (customarily on Saturday nights) hosted by one area club. All other clubs will attend the hoedown. Each area club (or two clubs together) will take turns throughout the year hosting a hoedown. Not usually as large as a festival, but a special, fun experience. Hoedowns are prevalent in western and southern states. 3. A hoedown may indicate an Eastern Style Square Dance.

6. Q. What is a "National Caller"?

A. There's much controversy on this. A national caller has been defined as a caller that has called at the yearly National Square Dance Convention. That is not much of a distinction, as just about any caller who wants to go to the Convention can get at least one five-minute slot on the program. A "nationally known caller" is a caller that is widely known (nationally) for his calling abilities - or lack thereof.

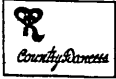

7. Q. What is the importance of a class?

A. The class, or beginning square dancers, are the life blood of square dancing. The future of this activity is in their hands. These new dancers come with new enthusiasm, vitality, and ideas to keep clubs alive and growing. If beginners enjoy square dancing enough, they may become club members. If they enjoy the club enough, they may become future leaders and officers.

The class have a whole new set of friends and families that may be interested in square dancing. Make sure each class member is very familiar with the answer to the next question!

8. Q. What is an Open House, and how does it work?

A. An Open House is an opportunity to share square dancing with friends and family. Usually held in September and October, Open House is an invitation to the public to come and see square dancing, meet square dancers, and try it. (You'll like it!) Anyone who square dances must take as many non-dancers as possible to an open house. If you've enjoyed the activity, you owe it as many new dancers as possible. Only by getting friends into square dancing, can we be assured of continuing this activity.

## Country Dancers of Rochester

Our two big dances this month are ones you won't want to miss. New England music at its best. George Wilson and Selma Kaplan will make you feel that a whole group is playing. They are fantastic! And how did we get lucky enough to have Wild Asparagus pay us another visit? They will provide more of "the best" on April 9th with George Marshall calling. The music for both of these dances is worth the admission - we throw in the dancing free.

My thanks to my son Alan Butenhof, for sharing the Federation Representative job with Pauline Novick. It will be nice to have Country Dancers represented again.

Dance-O-Rama is almost upon us - and we are still planning to have a contra hall. We have engaged Chip Hendrickson and his wife, Fran. Chip has called Western Squares in the New England area but is now leading English country dances and 18th century dances. Fran is an accomplished musician and will be joining the band.

I am very sad to announce that both of our long-standing and favorite bands are breaking up due to other obligations. Overacker String Band has played its last dance, as has the Blackthorn Ceilidh Band. Both groups have been so loyal for so many years that I still can't believe they are gone. This will probably be the last year Country Dancers will be at Dance-O-Rama and at the moment we are still looking for musicians that will play "for free". Since the Hendricksons are flying to Rochester we will have to use our total D-O-R budget for them.

Richard Sauvain will lead some more English dancing, as he did last year, during the time Chip is in the Mainstream Hall. Ed has promised to do some Pappy Shaw dances - in the afternoon with records. We will post our schedule by the registration desk in Tuttle Hall.

We are still waiting for a confirmation of an out-of-town group to play and call at Country Dancers on the 23rd or the 30th. Ed Butenhof will call the other dance. Call me if you need more information as we get closer to the date.

## Glass Slippers

We're glad to see April coming along, spring can't be far behind, we hope. The Glass Slippers are giving away a doll. Proceeds from the sale of tickets, going on sale, Wednesday, March 4th, will go to C.U.R.E. So get tickets while they're hot!

On April 22 is our mystery ride. We'll assemble in the Ginther School Parking lot. This will be at 7:00. We hope everyone will come and help to make the mystery ride a success.

## Irondequoit Squares

Wow! What a great month we had! Can you believe it? One night we had four clubs attend for the purpose of stealing our banner. Had one club not been short a couple we would have had to give the President's shirt to them. (I'm sure he would have complied graciously.) By the time you read this, we will have them all retrieved. So, fear not, Friends! If you have designs on our banner, we shall be happy and ready to accommodate. How fantastic it is when so many clubs enjoy each other's company on the dance floor!

On April 4th we have for 100 happy tummies, "a steamship round of beef already, with all the trimmings", plus a terrific dance with Jon and Brian. If you couldn't get reservations, keep trying, we may have some cancellations. You'll be glad you did.

You will note that on the 18th we probably will be the only club dancing, so put on your Easter Bonnet and your "Sunday go to meetin" clothes, and get ready for the best Easter Dance ever.

Because of at least four different activities being scheduled after we scheduled Cubby VanLoon, our board has deemed it impractical to have Cubby on June 6th. Our apologies to those who are disappointed. We'll schedule him again later in the year.

## Promenading B's

It seems the class just got started and it's graduation time already. Our class has been small this year but there is no lack of enthusiasm. Bob Schlenker has done a great job getting them ready to join our Mainstream club.

April 3rd is our only dance this month. The B's are going buzzing on their mystery ride April 10th. There will be no dance on Good Friday nor the week after Easter, as the school is on vacation and the building is not open.

May 1 is our graduation and nomination of officers for the coming year. Of special interest is our dance on May 10 when Gary Bubel will be our guest caller. Betty Wolcott will be cueing rounds.

Though it's "history" now, our square dance weekend at Watson Homestead, near Corning, is worth writing about. The Promenading B's and Webster Web Spinners joined callers Jerry Carmen and Bob Schlenker for a fantastic weekend of fun and frolic. If anyone didn't get his/her fill of dancing, it wasn't the callers' fault. There was a casual dance Friday evening, workshop Saturday morning and afternoon, round dance workshop with Betty Carmen, then a special dress-up dance on Saturday evening. Before, between, and after dancing there was cross-country skiing, swimming, parties, skits, sing-a-long, and lots of good eating. Sunday morning there was a final wrap-up dance before Sunday dinner and going home. A good time was had by all!

## Jody's Rounds

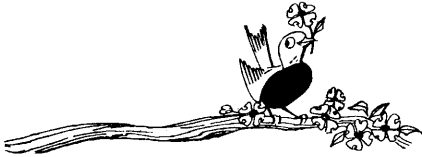

Spring brings longer days, warmer weather, and another new class to Jody's Rounds. Our open house will be held on March 12 and 19, with classes starting on the 26th at 7:00. There will still be time to join the new class when you are reading this, because it is easy to catch up in the first few weeks. Classes will begin at 7:00 with the club dancing at 8:30.

On Thursday, February 26, our executive board made an important and far-reaching decision. Henceforth we will no longer hold our weekly "board meetings" at the Fairport Village Inn. Greasy chicken wings, surly waitresses, and indifferent service had become so prevalent that we were forced to tell them to "take their wings and stuff 'em." At this very moment, the board is seeking out a suitable replacement "meeting room".

As the above paragraph demonstrates, we have tried to put back some of the fun in dancing and eliminate the competitive mentality which has infected so many other clubs. We are able to laugh at ourselves (and just about anything else that comes along) so if you're looking for some levity along with the learning, why not drop by? We can break (or at least scratch) more records in one night than they do in a whole month at the Olympics!

## Genesee Dancers

April is here and Genesee Dancers have a busy month planned. On April 16th the Promenading B's will be our guests and the Web Spinners will be guests on April 23rd.

April 30th is Graduation Night and we are proud to announce that sixteen couples will be graduating. This class is an unusually friendly and lively group, and we look forward to welcoming them into our club. Each couple will receive the next four issues of *Promenader*.

Our class instructor, Mike Herne, married Nancy Ostrander on Valentine's Day. We wish them well. Mike, (in spite of being struck by Cupid's arrow) has done a good job of bringing the class along to graduation. Our thanks to Bob and Jeanette Meagher for filling in on February 18th while Mike and Nancy were on their honeymoon.

At our February 12th dance, the funds totaling \$112.50 were donated to CURE.

Our Refresher Course Open House on February 19th had eight couples attending. We are looking for more interested couples. Tell your friends.

On April 30th we will celebrate spring with a special dance, "The Spring's Bursting," with special goodies furnished by the officers. All are invited.

Our Valentine supper dance attendance was 128!

And last, the Genesee Dancers wish to extend our sympathy to our beloved long-time caller, Mike Callahan, on the death of his father. The club sent a donation to Camp Good Days and Special Times in Mr. Callahan's memory.

## Circul-8-tors

Hurray! Spring is finally here. It's been a great winter of dancing for the Circul-8-tors, but we're glad that the nice weather is just around the corner.

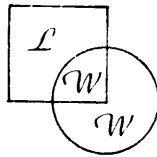

The great calling and cueing of Chip Kellogg and Dottie Reed at our March dance made our first dance of the spring season a real success. The pictures taken at the February dance were available and the dancers were delighted to see how nice they looked in their red, white, and blue out-fits. These pictures were taken for \$1.00 each to raise money for CURE. \$80 was raised initially, and more money is coming in as reprints are being ordered.

Elections were held at the March dance. Jess and Elsa Furlan were elected as Treasurers, and Bert and Ida Willson were elected as Secretaries. We wish them great success in their new offices. A heartfelt expression of appreciation was given by the members to the outgoing officers: Tom and Gene Fitzgibbon, and Graham and Lorraine Chamberlain.

Our April Dance will be on April 26th at 2:00 in Penn Yan at the Grange Hall on Route 54A. Come and join us, you know that it will be a great dance with Jerry and Betty Carmen calling and cueing, and the drive to Penn Yan is delightful this time of year.

## Henrietta Friendship Squares

Our Presidents' Ball, held at Roth High School in Henrietta on February 28th, was a huge success. Red, white, and blue streamers, flowers, and numerous decorations were an appropriate background to honor our famous presidents. We were happy to have as our callers Gary and Alice Bubel, who kept the dancing spirited, lively, and a great deal of fun. Our thanks also go to all of the guests who supported us in our once-a-year fund raiser and helped make the evening a big success.

Henrietta Friendship Squares dance on the 2nd and 4th Saturdays of each month. We are presently trying to find a new location for our dances next year because our present hall in the Pinnacle Lutheran Church will not be available.

We sincerely welcome back Howard and Stella Hendrickson. We missed you during Stella's illness and are glad you are able to attend our dances again. Stella always makes such good 'goodies'.

The Friendship Squares welcomes everyone to its regular, as well as special, dances. The word 'Friendship' in our title means just what it says. The friendliness of its members makes everyone feel welcome and at ease. Please feel free to join us anytime for an evening of pleasant dancing.

## Tecumseh Squares

If April showers occur on Friday nights why not join us inside for an evening of fun?

Going back to our New Years Eve dance, someone left a silver clutch purse. If it is yours call Carol or Don Jermyn 254-7539 or stop in some Friday night at our dance.

We have the pleasure of having Mike Callahan as our guest caller on April 17. Hope to see many of you who like Mike, it's always a fun evening. April 24 our class members will be joining us for a pot luck dinner at 6:30. We will be dancing at our regular time 8:00 to 10:30 following the dinner. Our class is doing very fine and we are looking forward to their graduation next month.

We are still having our Plus workshop every Friday from 8:00 to 8:30, our instruction fee is still \$5.00 per couple.

Since becoming a banner-stealing club our two banners seem to be out always. If your club is planning to come to steal our flag please call our presidents to make sure we have a banner.

The following clubs will be our guests this month: 3rd Genesee Dancers and Wayne Westerners, 24th Village Squares and Glass Slippers.

## Belles 'N Beaus

Art Harris and his vacationing Belles 'N Beaus have returned after two weeks in sunny Mexico. The snowbirds are slowly coming home to the cold north. May 15 is the date set for Belles 'n Beaus trail-end dance at the Three Acre Party House. Can spring be far away?

Mike Harris reports the class is ready for graduation May 4 and looking forward to dancing with the club on Monday nights.

All of us at Belles 'N Beaus are saddened by the death of John Cushing, a long-time member and past president of the club. He will be missed.

Rita Heagney is at home recovering from surgery; we hope to see her back on the dance floor soon.

Life may not be the party we hoped for, but while we're here, we should dance! We appreciate all those that supported our Valentines Dance and Fifties Nite, it was certainly a lot of fun. Our enthusiasm is being shared by more and more participating in our March surprises. We have a fantastic new class under way. We welcome "angels" to help and brush up their own skills, at 6:30.

## Triggers

Last month our "Bunny Hop" was a hopping success. All the class members who attended really did it up big - thanks to all of you who participated with us. Our other two special dances last month - Mardi Gras and St. Patrick's - were also lots of fun. Triggers sure are creative when it comes to costumes and decorating the dance hall. Remember, this month we have our Mystery Ride dance on the 28th, to be held at the big old \_\_\_\_\_, oops, I almost let the cat out of the bag! Anyway, be sure to be at Parkland School early that day, we'll be leaving at 7:30 sharp. Also, our dance on the 14th will not be at Parkland School, the actual location is a Mystery, but our club presidents, Paulette and John Bo have assured us that we'll be told "where to go" (???) the week before, if not, we're supposed to call them for information at 254-0756.

Some other dates to mark on your calendar are: Class Graduation on May 5, and the annual Spring Fling on May 12.

We would like to express our sympathy to Marilyn and Bill Raymond on the death of Marilyn's brother - Richard Green. Our thoughts are with you.

## Swingin' Eights

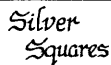

The month of April brings showers and the Swingin' Eights' Ice-Cream Social. Create a sundae on Saturday, April 25 and dance to the rounds of Mike and Linda Liberti between the Plus squares of Bruce Shaw. Tom and Helen Jones, Tom and Ellie Anderson, and Art and June Goodnough will orchestrate this delicious event.

We send rainbows of get-well wishes to Jim McCollum, who is recovering from foot surgery. (Actually, Bruce Shaw insists that Jim's surgeon has formed two right feet from Jim's two left feet. All Swingin' Eights members, and several of Jim's partners, are eager to test the results of the doctor's handiwork.)

All members of the Swingin' Eights are invited to attend the Promenading B's dance on April 3 as guests. And don't forget our Swingin' Eights regular dance on April 11. We'll welcome our Florida sunbirds back to the north country at that dance with rounds at 7:30 and squares at 8:00.

## Silver Squares

The members of the Silver Squares would like to welcome the dancers who recently joined our club. It seems a few couples have come to visit and decided to stay with us. Badges have been ordered and delivered and our club is growing.

We are glad to see Stella and Howard Hendrickson back dancing with us, also Flora and Al Bello. Sally Foss and Elsie Epke have returned from their Florida vacations. Sara Gulasha, Fosie Barnhart, Alice Calcagno and Anne Andria have planned a trip to Los Vegas this month to see the sights and try their luck. We hope to see two of our regular dancers back dancing with us real soon: A speedy recovery to Bill Buchanan and Gloria Santacera after their trip home from the hospital.

A reminder: our club has invitations to dance at Brockport Senior Center the 3rd Friday of the month, and Summerville Presbyterian Church, St Paul Blvd, Wednesday at 10:45 AM

## Country Twirlers

March was an exciting, busy month at Country Twirlers. Our Hawaiian Night made us all feel a little warmer, thanks to our Social Chairpeople and their refreshment and decorating committee. On March 14th, Jack Barnes, along with Country Twirlers and guests, donned a bit 'o the green to celebrate St. Patrick's Day. We finished off the month with visiting caller Jim Lee from Ontario, Canada calling a lively dance, and his wife Shelly Lee cueing rounds.

There are only two dances in April as we swing into spring. We will be dancing April 4th and 11th to Jack Barnes' expert calling and cueing. There will be no dances on the 18th and 25th because of Easter Vacation. So visit us early in the month, we still have the best Saturday night dance in town!

## Village Squares

Dick Casper has touched the lives of many a Rochester area square dancer, and the sharing of his talents has produced a host of enthusiastic dancers and several callers. Let's let him know how much we appreciate him!

As probably most of you know by now, Dick, the Village Squares' caller of long standing, is retiring at the end of this year. He will, however, be calling for our camping weekend at Camp Bell June 19, 20, and 21, where we hope many of you will be joining us. But in case your schedules prohibit that, we want to make sure you still have the opportunity to express your best wishes to Dick and his wife Joyce. With that in mind we're planning a Farewell Dance that Dick will call May 20th from 8:30 to 11:00 in the Green Lantern Inn at Fairport. The open dance will follow our closed Trail's End dinner scheduled earlier that evening. In addition to squares, we're planning on providing a cuer for rounds and we hope to announce our new caller. Mark your calendars now!

If you noticed the change in our dancing time table from Wednesday to Tuesday nights, don't be confused. Since the first week in March the Village Squares have been dancing on Tuesday nights. The night was changed to accommodate club members experiencing conflicts with the Wednesday night schedule. Regular club dances for the rest of 1987 will officially be on Tuesday nights at the same time - 8:00 - and in the same place at the First United Methodist Church in Fairport.

## Happy Hoofers

It is nice that so many guests from other clubs have come to dance with us recently, even if it is to retrieve a banner or to steal ours. We had a fun time dancing with the Copy Cats last month and reclaimed our banner as well.

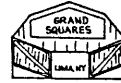

On March 21 Al Overslaugh called the squares for us as well as cueing the rounds, and proved he has the talent for both.

On April 4, Mike Harris is calling for us, which should make for a lively evening. The Cayuga Cut-ups are our invited guests.

Best wishes and a speedy recovery to a few more "Hoofers" who had surgery, Marge Sedler and Ann Dixon. We miss them.

## Lima Grand Squares

April showers bring spring weather to Western New York. We hope. Lima Grand Squares wants to thank all you light-footed ladies and gentleman who came to our style show and helped make it a special night. Now that you tried on all those lovely clothes, reward yourself by coming out to our bake sale on April 24th. There will be pies and cakes and cookies and goodies to make your mouth water and your tummy say howdy. So come on down, burn off the calories dancing and then bid on some goodie to take home to restore those batteries.

Don't forget, watch this space for information about our Maypole and Ice Cream Social Dance. It's one of the prettiest dances in the country and one you won't find anywhere else except at the Lima Grand Squares. It's a great way to celebrate the beginning of summer and dance with the friendly folks down Lima way.

## Morton Country Swingers

We have enjoyed two guest callers to be considered for next year replacing Al Howe. Les Bradt called at February 19th and 26th dances. He was well received by the Morton Country Swingers. Bob Meagher was welcomed by the club for the March 5th and 12th dances. We will invite guest callers for the remaining dances this year. The club is indebted to these candidates and will have a hard time choosing for next year.

Don't miss our Pajama Party on April 9th, when members and visitors should be appropriately dressed. At least one Swinger will have a problem: he does not wear pajamas. We look forward to a graceful solution to this problem.

We will have Open House at our April 16th and 23rd dances to develop interest for next year's class. Morton Country Swingers will come to the Trail's End at our April 30 dance, ending an enjoyable year of dancing.

## THE LANGUAGE OF SQUARE DANCE PROGRAMMING

There seems to be a great deal of variety, and some confusion, regarding the designation of dance programs throughout the square dance world. At conventions, festivals, and club dances; and in various publicity releases and publications, one sees program designations such as MS+, MS Plus, MSQS, Soft Plus, etc. What do these terms mean? Does MS+ indicate that the dancers should know some of the Plus Program? If so, which part? Or does it mean that, in addition to Mainstream Program dancing, there will be some sort of added attraction? The MS Plus designation is similarly vague and confusing.

Terms such as Soft Plus really tell us nothing, since the "soft" part, like beauty, is in the eye of the beholder (or, probably, the caller for the evening). When one sees the MSQS designation, he probably assumes that the dancer will be expected to know something about Quarterly Selections. However, does that mean all Quarterly Selections, only the current Quarterly Selection, or something else? Even more important is the fact that the Quarterly Selection Program was never intended to be a regular dance program. The latest publication of the Callerlab Basic and Mainstream Programs makes that clear with this statement: "There is no program called Mainstream Quarterly Selections Program. Those experimental calls are intended for use in Mainstream Workshops. No dancer is required to know the QS calls to attend a Mainstream open dance. If such calls are used, the caller is to teach them if necessary. Please advertise dance programs as Mainstream not MSQS."

Proper program designations help dancers to find that dance where they can be most comfortable and can have the greatest enjoyment. They also tell callers the program they are expected to call. We need to be more specific and careful in designating dance programs, and club officers and dancers need to be more insistent that callers adhere to the advertised program. Use of vague and incorrect programming language leads to confusion and frustration. Use of the proper terms aids both dancers and callers.

The correct program designations are shown below. Dancers should be able to dance, in accordance with their definitions, the number of basics or movements shown. All lists are current as of February 2, 1987.

- Basic Program (B) -Numbers 1 through 49 on the Callerlab Program approved 4/18/84.
- Mainstream Program (MS)-Numbers 1 through 68 on the Callerlab Program approved 4/18/84.
- Plus (+) -The Mainstream Program and the 27 calls on the Callerlab Plus Program approved 4/18/84.
- Advanced One (A1) -The Mainstream and Plus Programs and the 38 calls on the Callerlab A - 1 Program approved 9/85.
- Advanced Two (A2) -The Mainstream and Plus Programs plus the 78 calls on the Callerlab A - 2 Program approved 9/85.
- Basic Challenge (C1)-The Mainstream, Plus, Advanced and the 64 calls on the Callerlab C - 1 Program approved 11/85.
- Extended Challenge (C2)-The Mainstream, Plus, Advanced, C1 and the 76 Calls on the Callerlab C - 2 Program approved 12/85.

## Web Spinners

Friday the 13th was great for the Web Spinners in March. We had our St Patrick's Day Dance and thanks to the Tanghes and their committee, we had a "Lean and Green" time.

On April 10th, "Nick the Greek" Straube is running our Monte Carlo night for the club members. This is an enjoyable night every time.

Come dance with us at the United Methodist Church on Main Street in Webster. We dance there this month on Friday the 3rd and the 24th.

## Caller's Co-op

C.C.R. meets regularly on the first Sunday of the month at the United Covenant Church on Parsells Avenue. The time is 2:00 to 4:30, with a special session for new callers at 4:30 to 5:30.

Our next meeting will be April 5th. Topic: Election of Officers and most important, discussion of program for '87-'88. We need input to keep our meetings interesting and educational. Suggestions are welcome from dancers and club leaders too.

Happy Easter from your local callers.

We hope you have your calendars marked for Dance-O-Rama on May 2nd. See you there!

## TIPS for TIPS

- DO remember that there is a lot more to square dancing than just going out in the evening and listening to a caller. Somebody has to do a lot of things, like finding a place to dance, providing refreshments, keeping track of how the money comes and goes, planning special parties, decorating, etc., etc., etc. Figure on doing your share as a volunteer in these activities, or paying someone else to do it.
- DO consider that you may get more satisfaction from the personal contacts and the feeling of cooperation if you join with the folks who are providing these necessary services. In other words:
- DO keep your membership in at least one club, and accept your full share of the responsibilities, as well as the privileges, of membership.

Believe it or not, we made it through another Rochester winter. This one was not too hard to handle. The sure signs of spring are our good friends returning from the sunny south to dance with us and the increasing talk of Dance-O-Rama - one we should all attend. We will have our pizza party on April 8th; everyone is welcome. The club will furnish the pizza. Please bring your own drink. On April 24th through the 26th, we will have our Rainbow Weekend on Seneca Lake. Good dancing, eating, and after-parties. We still have room for a few guests. Contact Nancy or Bob Ellis.

Welcome to our newest members, Jack and Kathy Westline. Don't forget to get signed up for the Empire State Festival.

For good dancing, come up and see us some time.

Orleans Orbits is going strong with our new caller and cuer Jody Mattice. She does a great job at calling and cues rounds between tips. Our club dances on the second and fourth Saturdays of the month.

All are invited, both class and club members, to all of our dances. We dance in Medina, New York in the Masonic Temple. The Masonic Temple is above Rosenkrans Drug Store, near the Fire Hall. It is furnished with plush davenport and easy chairs. The hardwood floor is excellent for dancing. It's just a beautiful place to dance and rest between tips.

Come out and visit us, we guarantee you will come back.

*Wayne Westerners*

Spring has sprung and the Wayne Westerners are springing into April's calendar of events. Along with the returning birds and blossoms, we welcome the return of our warm-weather-loving Florida "escapees". Besides our regular square and round dancing schedule, April ends with a Progressive Dinner on April 23rd. We're looking forward to this delicious event!

Plans are made - our annual Apple Blossom Dance will be held on Friday May 15th. Don't miss this year's Apple Blossom Gala featuring caller Bruce Williamson of Altoona, Pennsylvania and cuer Dottie Reed. Watch for more detailed information in a May Promenader advertisement. We hope to see you all there!

TIPS for TIPS

DO wear proper square-dance attire: the minimum is long-sleeved shirts for the men, full skirts and pettipants for the ladies. The official square-dance view is that all men have hairy, sweaty forearms, and no lady ever does.
